Re: Interim Rate Adjustment of CoServ Gas, Ltd.

CoServ Gas, Ltd. (“CoServ Gas”), a “gas utility” under Texas Utilities Code § 101.003(7), respectfully files its proposed Interim Rate Adjustment (“IRA”) pursuant to Texas Utilities Code § 104.301 to increase gas utility rates for service within the incorporated municipalities in which CoServ Gas provides service. A complete list of the incorporated municipalities covered by the IRA is shown on the proposed notice in the attached IRA filing at Attachment IRA-2.

Also included is the Annual Earnings Monitoring Report and Annual Project Report as required by Texas Utilities Code § 104.301.

The proposed effective date of CoServ Gas’s IRA is September 17, 2025. The proposed new rate schedules, along with a redline showing changes from existing rates, are detailed on Attachment IRA-3 to the IRA filing, which is included in the attached file. This proposed IRA is also being filed on this date with the Railroad Commission of Texas for unincorporated areas served by CoServ Gas.

We are also delivering this IRA filing to Mr. Thomas Brocato at Lloyd Gosselink Rochelle & Townsend, P.C. It is our understanding that Mr. Brocato will be representing the affected municipalities in this matter.

Should you have any questions or comments about this filing, please do not hesitate to contact me or Mr. Brocato.

Respectfully,

/s/ John R. Hays, Jr.

John R. Hays, Jr.
Attorney for CoServ Gas, Ltd.
