Item No. 4**Item No. 5 Consideration of an Amendment to the City Ordinance to Extend the Permitted Time for Recreational Vehicle Parking on Public Streets in Residential Zoning District and Make a Recommendation to the City Council Regarding the Amendment.**

Sagar Medisetty presented this item to the Board. Mr. Medisetty lead by explaining several citizens have complained about the 20 minutes parking time limit on recreational vehicle parking in the street. After research by staff, it was determined that permitting 4 hours of RV parking would give the owners time to load and/or unload the vehicles.

Mary Ellen Miksa asked the permitted time for parking of moving trucks. Sagar Medisetty stated that per the current ordinance, large trucks would be permitted for 20 minutes.

Chairman Davis asked if there were any plans for campers parked that are not attached to vehicles. Medisetty stated that he does not know the answer.

RV parking will remain at 20 minutes in other zoning districts.

A motion was made by Mary Ellen Miksa to approve the item and seconded by Karen Locke to approve Consideration of an Amendment to the City Ordinance to Extend the Permitted Time for Recreational Vehicle Parking on Public Streets in Residential Zoning District and Make a Recommendation to the City Council Regarding the Amendment.

The vote was 6 ayes and 0 nay. The motion carried.

The meeting adjourned at 7:57 p.m.
