WHEREAS, the City wishes to enter into an agreement with the Contractor, whereby the Contractor will provide Video Inspection of Storm Sewer Lines as outlined in the City’s Request for Bids #25-13-A (“RFB”), and the Contractor wishes to enter into an agreement to provide such services to the City.

NOW, THEREFORE, it is agreed by and between the Parties hereto as follows:

1.0 SERVICES OF CONTRACTOR

1.1 Scope of Services. The City accepts the Contractor’s Bid (“Bid”), attached hereto as Exhibit “A”, to provide Video Inspection of Storm Sewer Lines to the City of Lewisville as provided for in the RFB (Exhibit “B”); both documents are incorporated herein by reference. The Contractor agrees to perform the services necessary to provide electrical services as described in the RFB (Exhibit “B”) and the Bid (Exhibit “A”) in accordance with the requirements set forth therein (the “Services”). It is understood that quantities shown in the Bid (Exhibit “A”) are estimates and do not obligate the City to order or accept more than the City’s actual requirements during the Agreement, nor do the estimates limit the City to ordering less than its actual needs during the Agreement, subject to availability of appropriate funds. The Contractor hereby acknowledges that the quantities of work provided for in the RFB (Exhibit “B”) and the Bid (Exhibit “A”) are estimates, and that this Agreement is a requirements contract for work as needed by the City. The Contractor hereby acknowledges that it accepts the risk that the Services to be provided pursuant to this Agreement may be more costly or time consuming than the Contractor anticipates and that the Contractor shall not be entitled to additional compensation therefore.

1.2 Order of Priority of Documents. In the event of any inconsistency between the terms of the Bid, the RFB, and this Agreement, documents shall control in the following order: (1) this Agreement; (2) the RFB (Exhibit “B”); and (3) the Bid (Exhibit “A”).

1.3 Latent or Unknown Conditions. Should the Contractor discover any latent or unknown conditions which will materially affect the performance of the Services hereunder, the Contractor shall immediately inform the City of such fact and shall not proceed except at the Contractor’s risk until written instructions are received from the City.

1.4 Care of Work. The Contractor shall adopt reasonable methods during the term of this Agreement to furnish appropriate protection to City property, and the equipment and materials used to perform and carry out the Services shall be appropriate and proper, with the expressed intent of preventing losses or damages. The Contractor shall be responsible for such damages to persons or property caused by the performance of Services provided to the City under this Agreement as set forth in the RFB (Exhibit “B”).

1.5 Further Responsibilities of Parties. Both Parties agree to use reasonable care and diligence to perform their respective obligations under the Agreement. of this Agreement.

2.2 Payment Terms. Contractor shall submit invoices for the Services as outlined in the RFB (Exhibit “B”). Payment terms are net 30 days after services are complete, as required, or a correct invoice is received, whichever is later. Invoices must be submitted to the City of Lewisville, Accounts Payable, P.O. Box 299002, Lewisville, TX 75029-9002 or emailed to accountspayable_col@cityoflewisville.com. 2.3 Changes to Compensation. Any change in unit prices outlined in the Bid (Exhibit “A”) during the Initial Term or any Renewal Terms, as hereinafter defined, which increase or decrease cost of the Services by \$50,000.00 or more shall require the approval of the Lewisville City Council. No unit price provided in the Bid (Exhibit “A”) may be increased by more than 25% during the total term of this Agreement, including the Initial Term and any Renewal Terms, as hereinafter defined. No change shall be made to the unit prices provided in the Bid (Exhibit “A”) without the written agreement of both Parties, except for price increases upon renewal, for which the City shall receive written documentation as outlined in the RFB (Exhibit “B”).

5.1 **Initial Term.** The initial term of this Agreement shall be for a period of twelve (12) months, beginning on the effective date of this Agreement, which shall be the date of execution of this Agreement by both Parties

("Initial Term"). The payment of any compensation due under this Agreement for any year within the Initial Term or any Renewal Terms (hereinafter defined) provided for herein is contingent upon the annual appropriation of funds by the City Council of the City. The failure of the City Council to appropriate funds for this purpose shall relieve all Parties from any responsibility under this Agreement and terminate the Agreement.

5.2 Renewal Terms. The term of this Agreement may be extended by three (3) twelve-month terms ("Renewal Terms") subject to the mutual written agreement of the Parties, under the terms outlined in the RFB (Exhibit "B"). The City Manager is hereby authorized to enter into such mutual written agreement on the City's behalf.

5.3 Transition Term. Upon the expiration of the Initial Term or any subsequent Renewal Term, if the Agreement is not extended as provided for in Section 5.2, above, the Contractor shall continue performance under this Agreement until the City has a new contract in place with either the Contractor or another provider or until the City terminates the Agreement. In no event shall this transition term exceed ninety (90) calendar days unless the City and the Contractor mutually agree otherwise in writing. The City will pay Contractor for all Services rendered in compliance with this Agreement during this transition term. If Services rendered during this transition term are not, in the City's judgment, in compliance with the requirements of this Agreement, no payment will be owed.

The Contractor covenants by and for itself, its heirs, executors, assigns and all persons claiming under or through them, that there shall be no discrimination against or segregation of any person or group of persons on account of race, color, creed, religion, sex, marital status, national origin, or ancestry in the performance of this Agreement. The Contractor shall take affirmative action to ensure that applicants are employed and that employees are treated during employment without regard to their race, color, creed, religion, sex, marital status, national origin or ancestry.

6.2 Successors and Assigns; Assignment. The City and Contractor each binds itself and its partners, successors, executors, administrators and assigns to the other party of this Agreement and to partners, successors, executors, administrators and assigns of each other in party in respect to all covenants of this Agreement. The Contractor shall not assign, sublet, convey or transfer this Agreement nor its interest in this Agreement without the written consent of the City, and any such assignment, subletting, conveyance, or transfer without required consent shall be void. Nothing herein shall be construed as giving any right or benefits hereunder to anyone other than the City and the Contractor.

6.3 Governing Law and Venue. This Agreement is governed by the laws of the State of Texas. Exclusive venue for any dispute arising out of this Agreement is in Denton County, Texas.

6.4 Severability. In the event that part of this Agreement shall be declared invalid or unenforceable by a valid judgment or decree of a court of competent jurisdiction, such invalidity or unenforceability shall not affect any of the remaining portions of this Agreement which are hereby declared as severable and shall be interpreted to carry out the intent of the Parties hereunder unless the invalid provision is so material that its invalidity deprives either party of the basic benefit of their bargain or renders this Agreement meaningless.

6.5 Confidential Information. To the extent allowed by law, the City will safeguard and keep from release any documents marked “proprietary” or information not generally available to the public. However, the City will, if required, comply with all requirements of the Texas Public Information Act with regard to any documents in its possession at the time of a request made under that Act.

6.6 ADA Compliance. All goods and services provided to the City must be compliant with the Americans with Disabilities Act and any amendments thereto ("ADA") and all regulations promulgated pursuant to the ADA. Contractor will be required to certify compliance, if required under the law or otherwise required by the City.

6.7 Protection of Resident Workers. The City actively supports the Immigration and Nationality Act (INA), which includes provisions addressing employment eligibility, employment verification, and nondiscrimination. Under the INA, employers may hire only persons who may legally work in the United States (i.e., citizens and nationals of the U.S.) and aliens authorized to work in the U.S. The employer must verify the identity and employment eligibility of anyone to be hired, which includes completing the Employment Eligibility Verification Form (I-9) for every worker performing services under the Agreement. The Contractor and its Subcontractors shall establish appropriate procedures and controls so no services or products under the Agreement will be performed or manufactured by any worker who is not legally eligible to perform such services or employment. The City reserves the right to audit Contractor’s or Subcontractor’s employment records to verify the existence of a completed Employment Eligibility Verification Form (I-9) for every worker performing services or manufacturing products under the Agreement. The audit will be at the City’s expense.

6.8 Immigration Reform and Control Act. The City supports the Immigration Reform and Control Act (IRCA; 8 U.S.C. §1324a) which is a comprehensive scheme prohibiting the employment of unauthorized aliens in the United States. The Contractor shall submit a declaration signed under penalty of perjury of the laws of the State of Texas stating that it has not been found in violation of the IRCA by the United States Attorney General or Secretary of Homeland Security in the preceding five (5) years. The Contractor shall ensure that its subcontractors submit a declaration signed under penalty of perjury of the laws of the State of Texas stating that they have not been found in violation of the IRCA by the United States Attorney General or Secretary of Homeland Security in the preceding five (5) years. The Contractor and its subcontractors shall at all times during the term of this Agreement comply with the requirements of the IRCA and shall notify the City within fifteen (15) working days of receiving notice of a violation of the IRCA. The City may terminate a contract with the Contractor if the City determines that (a) the Contractor or its subcontractors have been untruthful regarding IRCA violations in the preceding five (5) years; (b) if the Contractor fails to ensure that its subcontractors submit the aforementioned declarations; or (c) the Contractor or its subcontractors fail to timely notify the City of an IRCA violation. The Contractor shall submit the IRCA Compliance Statement, attached as Exhibit “C”, to the City prior to any work being performed under this Agreement.

Contractor shall not advertise or publish, without the City's prior consent, the fact that the Contractor has entered into this Agreement, except to the extent necessary to comply with proper requests for information from an authorized representative of the federal, state, or local government.

6.10 Disclosure. Pursuant to Chapter 176 of the Texas Local Government Code, a person or agent of a person who contracts or seeks to contract with the City of Lewisville must complete a conflict of interest questionnaire if the person or agent has an affiliation or business relationship that might cause a conflict of interest with the City. The conflict of interest questionnaire, which is available online at ethics.state.tx.us, must be filed with the City Secretary of the City of Lewisville no later than the seventh business day after the person or agent begins contract discussions or negotiations with the City of Lewisville or submits to the City of Lewisville an application, response to a request for proposal or bid, correspondence, or another writing related to a potential agreement with the City of Lewisville.
