The Grantee will monitor the performance of the Subrecipient against goals and performance standards as stated above and in the attachments hereto. Substandard performance as determined by the Grantee will constitute noncompliance with this Agreement. If action to correct such substandard performance is not taken by the Subrecipient within a reasonable period of time after being notified by the Grantee, contract suspension or termination procedures will be initiated.

D. Attachments and Priority of Documents

All attachments to this Agreement are incorporated by reference and made a part of this Agreement for all purposes as though each were written word for word in this Agreement; provided, however, that in case of a conflict in the language of Attachment A – Program Summary, Attachment B – Program Timeline, Attachment C – Scope of Services, Attachment D – Outcome Measures, and this Agreement, the terms and conditions of this Agreement shall control over any attachments and is final and binding on both parties. The Grantee may require a more detailed budget breakdown than the one contained herein, and the Subrecipient shall provide supplementary budget information in a timely fashion in the form and content prescribed by the Grantee. Payments may be contingent upon certification of the Subrecipient's financial management system in accordance with the standards specified in 2 CFR 200, Subpart D (Grantee has copy available for review or reproduction).

A. General Compliance

The Subrecipient agrees to comply with the requirements of Title 24 of the Code of Federal Regulations, Part 570 (the U.S. Housing and Urban Development regulations concerning CDBG Programs) including subpart K of these regulations, except that the Subrecipient does not assume the recipient's environmental responsibilities described in 24 CFR 570.604 or the Recipient's responsibility for initiating the review process under the provisions of 24 CFR Part 52. Grantee has a copy of the relevant sections of the CFR available for review or reproduction. The Subrecipient also agrees to comply with all other applicable Federal, state and local laws, regulations, and policies governing the funds provided under this Agreement, including, but not limited to, 24 CFR Part 570, as

amended, and 2 CFR Part 200, as amended. The Subrecipient further agrees to utilize funds available under this Agreement to supplement rather than supplant funds otherwise available. The Subrecipient agrees to comply with all applicable requirements outlined in 24 CFR 570.502. In the event of noncompliance, Grantee may take any actions outlined under this Agreement or 2 CFR 200.338.

B. “Independent Contractor”

Nothing contained in this Agreement is intended to, or shall be construed in any manner, as creating or establishing the relationship of employer/employee between the parties. The Subrecipient shall at all times remain an “independent contractor” with respect to the services to be performed under this Agreement. The Grantee shall be exempt from payment of all Unemployment Compensation, Federal Insurance Contributions Act (FICA), retirement, life and/or medical insurance and Workers’ Compensation Insurance as the Subrecipient is an independent contractor.

C. Hold Harmless

The Subrecipient shall hold harmless, defend, and indemnify the Grantee from any and all claims, actions, suits, charges and judgments whatsoever that arise out of the Subrecipient’s performance or nonperformance of the services or subject matter called for in the Agreement.

D. Workers’ Compensation

The Subrecipient shall provide Workers’ Compensation Insurance coverage or its equivalent for all of its employees involved in the performance of this Agreement.

E. Insurance & Bonding

The Subrecipient shall carry sufficient insurance coverage to protect contract assets from loss due to theft, fraud and/or undue physical damage, and as a minimum shall purchase a blanket fidelity bond covering all employees in an amount equal to cash advances from the Grantee.

The Subrecipient shall comply with the bonding and insurance requirements of 2 CFR 200.325 (Grantee has a copy available for review or reproduction).

F. Grantee Recognition

The Subrecipient shall ensure recognition of the role of the Grantee in providing services through this Agreement. All activities, facilities and items utilized pursuant to this Agreement shall be prominently labeled as to funding source. In addition, the Subrecipient will include a reference to the support provided herein in all publications made possible with funds made available under this Agreement.

G. Amendments

The Grantee or Subrecipient may amend this Agreement at any time provided that such amendments make specific reference to this Agreement, and are executed in writing, signed by a duly authorized representative of both organizations, and approved by the Grantee’s governing body. Such amendments shall not invalidate this Agreement, nor relieve or release the Grantee or Subrecipient from its obligations under the Agreement.

The Grantee may, in its discretion, amend this Agreement to conform with Federal, state or local governmental guidelines, policies and available funding amounts, or for other reasons. If such amendments result in a change of funding, the scope of services, or schedule of the activities to be underwritten as part of this Agreement, such modifications will be incorporated only by written amendment signed by both Grantee and Subrecipient.

H. Suspension or Termination

Either party may terminate this Agreement at any time in accordance with 2 CFR 200.339 as it exists or may be amended. Partial terminations of the Scope of Service in section I.A above may only be undertaken with the prior approval of the Grantee. In the event of any termination for convenience, all finished or unfinished documents, data, studies, surveys, maps, models, photographs, reports or other materials prepared by the Subrecipient under this Agreement shall, at the option of the Grantee, become the property of the Grantee, and the Subrecipient shall be entitled to receive just and equitable compensation for any satisfactory work completed on such documents or materials prior to the termination.

The Grantee may also suspend or terminate this Agreement, in whole or in part, if the Subrecipient materially fails to comply with any term of this Agreement, or with any of the rules, regulations or provisions referred to herein, by giving written notice to the Subrecipient of such termination or suspension, specifying the effective date thereof, which may be immediate, and in the case of a suspension, the period of and requirements for lifting the suspension; and the Grantee may declare the Subrecipient ineligible for any further participation in the Grantee's contracts, in addition to other remedies as provided by law. In the event there is probable cause to believe the Subrecipient is in noncompliance with any applicable rules or regulations, the Grantee may withhold up to fifteen (15) percent of all funds disbursed under this Agreement until such time as the Subrecipient is found to be in compliance by the Grantee, or is otherwise adjudicated to be in compliance.

VIII. ADMINISTRATIVE REQUIREMENTS

A. Financial Management

1. Accounting Standards

The Subrecipient agrees to comply with the financial management requirements of 2 CFR 200, Subpart D (Grantee has a copy available for review or reproduction) and agrees to adhere to the accounting principles and procedures required therein, utilize adequate internal controls required therein, and maintain necessary source documentation for all costs incurred.

2. Cost Principles

The Subrecipient shall administer its program in conformance with 2 CFR 200 Subpart E as applicable (Grantee has copies available for reproduction or review). These principles shall be applied for all costs incurred whether charged on a direct or indirect basis.

B. Documentation and Record-Keeping

1. Records to be Maintained

The Subrecipient shall establish and maintain records sufficient to enable the Grantee to (1) determine whether the Subrecipient has complied with this Agreement, applicable Federal statutes and regulations, and the terms and conditions of the Grantee's Federal award and (2) satisfy recordkeeping requirements applicable to the Grantee. The Subrecipient shall maintain, at a minimum, all records required by the Federal regulations specified in 24 CFR 570.506 that are pertinent to the activities to be funded under this Agreement.

2. Retention

As required by 24 CFR 570.502, the Subrecipient shall retain all records pertinent to expenditures incurred under this Agreement for a period of the longer of three (3) years after the expiration or termination of the subrecipient agreement, or 3 years after the submission of the annual performance and evaluation report in which the specific activity is reported on for the final time. Records for individual activities subject to the reversion of assets provisions at 24 CFR 570.503(b)(7) or change of use provisions at 24 CFR 570.505 must be maintained for as long as those provisions continue to apply to the activity. Records for individual activities for which there are outstanding loan balances, other receivables, or contingent liabilities must be retained until such receivables or liabilities have been satisfied. Notwithstanding the above, if there is litigation, claims, audits, negotiations or other actions that involve any of the records cited and that have started before the expiration of the three-year period, then such records must be retained until completion of the actions and resolution of all issues. Subrecipient shall also comply with the requirements of 2 CFR 200.333, as specified by 24 CFR 570.502.

3. Client Data

The Subrecipient shall maintain client data demonstrating client eligibility for services provided. Such data shall include, but not be limited to, client name, address, family size, income level or other basis for determining eligibility, and description of service provided. Such information shall be made available to Grantee monitors or their designees for review upon request, and shall safeguard such information in compliance with 2 CFR 200.303. Subrecipient shall continue to maintain client data through the 'Use and Reversion of Assets' term identified in section VIII.E.2.

4. Disclosure

The Subrecipient understands that client information collected under this Agreement is private and the use or disclosure of such information, when not directly connected with the administration of the Grantee's or Subrecipient's responsibilities with respect to services provided under this Agreement, is prohibited unless written consent is obtained from such person receiving service and, in the case of a minor, that of a responsible parent/guardian. Please note that to the extent allowed by law, Grantee will safeguard and keep from release any documents marked "proprietary" or information not generally available to the public which are provided to Grantee under this Agreement. However, Grantee will, if required, comply with all requirements of the Texas Public Information Act with regard to any documents in its possession at the time of a request made under that Act.

5. Close-Outs

The Subrecipient's obligation to the Grantee shall not end until all close-out requirements are completed. Activities during this close-out period shall include, but are not limited to: making final payments, disposing of program assets (including the return of all unused materials, equipment, unspent cash advances, program income balances, and accounts receivable to the Grantee), and determining the custodianship of records. Notwithstanding the foregoing, the terms of this Agreement shall remain in effect during any period that the Subrecipient has control over CDBG funds, including program income.

6. Audits & Inspections

All Subrecipient's records with respect to any matters covered by this Agreement shall be made available to the Grantee, grantor agency, their designees or the Federal Government, or any of their authorized representatives, at any time during normal business hours, as often as the Grantee, or federal government deems necessary, to audit, examine, and make excerpts or transcripts of all relevant data. Any deficiencies noted in audit reports must be fully cleared by the Subrecipient within 30 days after receipt by the Subrecipient. Failure of the Subrecipient to comply with the above audit requirements will constitute a violation of this contract and may result in the withholding of future payments. The Subrecipient hereby agrees to have an annual agency audit conducted in accordance with current Grantee policy concerning recipient audits and, as applicable, 2 CFR 200 (grantee has copy available for review or reproduction). The Subrecipient agrees to participate in the implementation of the programmatic and fiscal requirements outlined in the City of Lewisville CDBG Subrecipient Monitoring Guidebook. Grantee warrants and represents that Grantee received a copy of the City of Lewisville CDBG Guidebook during the application process for this grant.

C. Reporting and Payment Procedures

1. Program Income

The Subrecipient shall report monthly all program income as defined in 24 CFR 570.500(a) generated by activities carried out with CDBG funds made available under this Agreement. The use of program income by the Subrecipient shall comply with the requirements set forth at 24 CFR 570.504. By way of further limitations, the Subrecipient may use such income during the term for activities permitted under this Agreement and shall reduce requests for additional funds by the amount of such program income balances on hand. All unused program income shall be returned to the Grantee at the end of the term. Any interest earned on cash advances from the U.S. Treasury is not program income and shall be remitted promptly to the Grantee.

2. Indirect Costs

If indirect costs are charged, the Subrecipient will develop an indirect cost allocation plan for determining the appropriate Subrecipient's share of administrative costs and shall submit such plan to the Grantee for approval, in a form specified by the Grantee.

3. Payment Procedures

Grantee will pay the Subrecipient funds available under this Agreement monthly based upon information submitted by the Subrecipient and consistent with any approved budget and Grantee policy concerning payments. With the exception of certain advances, payments will be based on the established cost per unit for actual services provided, up to a total payment per month not to exceed one-tenth (1/10) of the total award amount, except as otherwise provided for in this section. See Attachment C. Payments will be adjusted by the Grantee in accordance with advance fund and program income balances available in Subrecipient accounts. In addition, the Grantee reserves the right to liquidate funds available under this Agreement for costs incurred by the Grantee on behalf of the Subrecipient.

In the event that the Subrecipient would be eligible for payment for actual services provided during a month, but is unable to receive full payment for those services due to the monthly maximum repayment, Grantee may "roll over" the surplus services provided to a subsequent month during the term of this Agreement in which actual services provided have not reached the monthly maximum payment limit, and they may be counted toward that month's total services provided. Grantee reserves the right to request additional documentation if necessary to ensure that the Subrecipient does not receive duplicate payments for services. The last month of the term of this Agreement shall not have a maximum payment limit.

4. Progress Reports

The Subrecipient shall submit the following Monthly Activity Summary Reports: CDBG Request for Reimbursement Form and subsequent back-up documentation, Performance Objectives Report, Population Served Report, and CDBG Client Data Summary Report to the City of Lewisville Neighborhood & Inspection Services Department no later than the 15th of each month. Multiple failures to submit timely reports will be reflected in the Subrecipient's file and may be considered during the renewal process. The Subrecipient shall submit a final progress report thirty (30) days after the end of the term of this Agreement.

D. Procurement

1. Compliance

The Subrecipient shall comply with the procurement requirements of 2 CFR 200, Subpart D, as amended by 24 CFR 570.502, in all procurement under this Agreement. The Subrecipient shall additionally comply with current Grantee policy concerning the purchase of equipment and shall maintain inventory records of all non-expendable personal property as defined by such policy as may be procured with funds provided herein. Also see section VIII.E.1. below.

2. Travel

The Subrecipient shall obtain written approval from the Grantee for any travel outside the metropolitan area with funds provided under this Agreement.

E. Use and Reversion of Assets

The use and disposition of real property and equipment under this Agreement shall be in compliance with the requirements of 2 CFR 200, Subpart D, and 24 CFR 570.502, 570.503, and 570.504, as applicable, and the following:

1. Upon the expiration, cancellation, or termination of this Agreement, the Subrecipient shall transfer to Grantee any CDBG funds on hand at the time of expiration and any accounts receivable attributable to the use of the CDBG funds.
2. Any real property under the Subrecipient's control that was acquired or improved in whole or in part with CDBG funds in excess of \$25,000 must be used to meet the national objective stated under section I of this Agreement until FIVE years after expiration of this Agreement, or such longer period of time as determined appropriate by Grantee. If such real property is not used in accordance with this subsection, the Subrecipient shall pay to the City an amount equal to the current fair market value of the property less any portion thereof attributable to expenditures of non-CDBG funds for acquisition of, or improvement to, the property. Such reimbursement is not required after the period of time specified in this subsection.
3. In all cases in which equipment acquired, in whole or in part, with funds under this Agreement is sold, the proceeds shall be program income (prorated to reflect the extent that funds received under this Agreement were used to acquire the equipment). Equipment not needed by the Subrecipient for activities under this Agreement shall be (a) transferred to the Grantee for the CDBG program or (b) retained after compensating the Grantee an amount equal to the current fair market value of the equipment less the percentage of non-CDBG funds used to acquire the equipment.
