The tournament featured 18 competitive teams from eight different cities: Allen, Carrollton, Farmers Branch, Frisco, Lewisville, Little Elm, McKinney, and The Colony. Teams first competed in a round-robin format, with the top performers advancing to a single-elimination bracket. The Lewisville Chameleons fielded three teams—Green, Red, and Gold—each putting forth strong efforts in the round-robin stage, followed by single-elimination play.

Gold Team Round-Robin Highlights:
