# Selected Artworks for Inaugural Exhibition

---

A few key points:

- In year one, six works will be installed: three for one-year terms and three for two-year terms.
  - For each two-year term, a \$2,000 honorarium will be paid. A \$1,500 honorarium will be paid for the one-year terms this first year.
- Each year in early April, three works will rotate out and be replaced with new two-year installations, ensuring three remaining works and three new works for residents and visitors to enjoy.
- A “Best in Show” contest will be held during the first three months of each exhibition to encourage engagement. The winning artist will receive an additional \$500 award.
- This call was limited to regional artists from Texas, Oklahoma, Arkansas, and Louisiana.
- We received 19 qualifying artist applications, representing 52 works for review.
