

Greetings, we Patrick and Karan Swann are the owners of property ID 192564 located off of Duncan Lane South of FM 3040. We are requesting this property be rezoned from AO to LI. Our purpose in doing the zone change is to develop a 3500 Sq Ft storage building. We have been long time residence of Lewisville (26 yrs) and have seen the growth which continues to blossom around us. We are genuinely excited to be a part of that growth in such a wonderful community.

We are in good tax standing with both of our Lewisville properties. 914 Brittany Drive and Duncan Lane. We would also like to request a proper address assigned to the 2.01 acre tract.

Thank you for your time, Patrick and Karan Swann
