

# CERTIFICATE OF RECOGNITION

## Lewisville Parks and Recreation Department (PARD) 2026 Lone Star Recreation Programming Achievement Award – Class II

The Lewisville City Council commends the Lewisville Parks and Recreation Department for earning the 2026 Lone Star Recreation Programming Achievement Award – Class II from Texas Recreation and Park Society in recognition of excellence in programming and operations.

This award recognizes organizations that have introduced innovative and effective recreation programs for the community. PARD was recognized for its “Zombies, AHH!” program. This event gave residents of all ages a hands-on emergency preparedness experience and challenged them to navigate a zombie-themed maze while learning how to prioritize resources, build go-bags and respond to real-world emergencies. It included support from Police, Fire, Engineering, and Emergency Services, adding excitement while helping participants learn practical safety skills.

Receipt of this award highlights PARD’s ongoing commitment to delivering high-quality programs and services to the community.

I, TJ Gilmore, Mayor of Lewisville, on behalf of the City Council extend a congratulations to the Parks & Recreation Department on this well-deserved honor.
