

Proclamation

BY THE

City Council of the City of Lewisville

WHEREAS, Atmos Energy is celebrating National Safe Digging Month in April to remind homeowners, contractors, and excavators to call 811 before digging any project; and,

WHEREAS, Digging without knowing utility locations can cause service disruptions, injuries, and costly damage. As infrastructure projects and development grow, excavation remains the leading cause of outside natural gas leaks; and

WHEREAS, The 'Call 811' service is free, safe, and required by law. A call to 811 helps prevent accidents and protect essential services by notifying utilities to mark the approximate location of underground lines with paint or flags; and

WHEREAS, Homeowners should submit an 811 request early, verify marked lines, adjust project sites if needed, and ensure contractors have called 811.

NOW, THEREFORE, I, TJ Gilmore, Mayor of Lewisville, on behalf of the City Council, do hereby proclaim the month of **April, 2025**, as:

NATIONAL SAFE DIGGING MONTH

In Lewisville, Texas and urge all residents to observe the occasion with appropriate ceremonies and activities.

TJ Gilmore, Mayor
City of Lewisville
