Mr. Keith Marvin
Director Public Services
1100 N. Kealy, Suite D
Lewisville, TX 75057

Dear Keith:

We are looking forward to our partnership with the City of Lewisville and as you are aware the acquisition closed on December 1, 2018. Waste Management submitted the annual price increase information for consideration by the City prior to the close to give the City the information timely. I have reviewed the information provided by Steve Keller and Republic Services is in agreement with the calculation.

I have attached this information we received and reviewed.

Republic Services will attend the Council Meeting on December 17, 2018 to be available for any questions.

Please let me know if you need any additional information.

Sincerely,

Jeri Harwell
