- (b) *Height.* No building shall exceed in height the width of the street right-of-way on which it faces, plus the depth of the front yard. In no event, however, shall the portion of a building located within 150 feet of any property zoned for residential purposes exceed the height allowed in that residential zoning district.
- (c) *Area.*
- (1) *Size of yards.*
- a. *Front yard.* There shall be a front yard having a minimum depth of 25 feet. No parking, storage or similar use shall be allowed in required front yards in District "LI", except that automobile parking (including automobile dealer display parking) will be permitted in such yards if separated by at least 25 feet from any residential district.
  - b. *Side yard.* A side yard of not less than 15 feet in width shall be provided on the side of a lot adjoining a side street. A side yard of not less than ten feet in width shall be provided on the side of a lot adjoining a residential district. The required side yard shall be waived when a screening device is installed in accordance with the city's general development ordinance. The building itself can serve as a portion of the screening device when that portion of the building exterior is constructed of the same materials as the screening device. No parking, storage or similar use shall be allowed in any required side yard or in any side street yard adjoining a residential district.
  - c. *Rear yard.* No rear yard is required except that a rear yard of not less than 50 feet in

depth shall be provided upon that portion of a lot abutting or across a rear street from a residential district, except that such yard requirement shall not apply where the property in the residential district also backs up to the rear street. No parking, storage or similar use shall be allowed in required rear yards in District "LI" within 25 feet of the rear property line.

(2) *Reserved.*

- (d) *Outside storage regulations.* In all zoning districts where outside storage yards are allowed, such storage yards shall be screened from view in accordance with the standards outlined in the city's general development ordinance. This provision applies to all outside storage which began after the original date of passage of this provision (April 4, 1994). Any variance request involving the requirements or standards relating to such required screening devices shall be considered by the city council in accordance with the city's general development ordinance. Areas which are used for infrequent and temporary storage for a period of 30 days or less per year shall not be deemed as "storage yards".
