

## MEMORANDUM

**TO:** Claire Powell, City Manager

**FROM:** Jennifer Malone-Ippolito, City Secretary

**DATE:** June 1, 2026

**SUBJECT: Consideration of Appointing a Member and an Alternate Member to the North Texas Commission Board of Directors.**

### BACKGROUND

The North Texas Commission (NTC) brings together public and private sector leaders to advance policies and initiatives that strengthen local governments, improve education, grow the skilled workforce, and support a thriving business environment.

Members of the North Texas Commission (NTC) Board of Directors are expected to represent the North Texas community as leaders in the private or public sector, remain current on NTC membership dues, and contribute valuable resources and perspectives to the organization. Members are also encouraged to actively engage in and support NTC events, meetings, and committees, and participate in committees that advance the NTC mission of strengthening the vibrancy of North Texas.

### ANALYSIS

Former council members Bob Troyer and Brandon Jones were appointed by the City Council in 2019 to serve as the City's representatives on the NTC Board of Directors, with Mr. Troyer serving as the board member and Mr. Jones serving as the alternate member. Following Mr. Troyer's resignation from the City Council in May 2026, the City Council is being asked to appoint a new board member and alternate member to serve on the NTC Board of Directors.

Board meetings are held three times each year, typically in February, May, and September, with the final 2026 meeting scheduled for September 17, 2026. Board members are expected to represent the North Texas community as leaders in the private or public sector, remain current on NTC membership dues, and contribute valuable resources and perspectives to the organization. Members are encouraged to actively engage in and support NTC events, meetings, and committees and participate in committees that advance the NTC mission of strengthening the vibrancy of North Texas.

### CITY STAFF'S RECOMMENDATION

That the City Council consider appointing a member and an alternate member to the North Texas Commission Board of Directors as set forth in the caption above.
