Chief Rollins,

June 25, 2026

On behalf of the Texas Police Chiefs Association Foundation, I want to officially notify you that the **Lewisville Police Department** achieved "Accreditation Status" for compliance with the Texas Law Enforcement Accreditation Program.

As you know, the accreditation process is extensive and challenging. Your agency is to be commended for the commitment, professionalism, and dedication demonstrated throughout this process. This outstanding accomplishment reflects your agency's adherence to **Texas' Gold Standard in Law Enforcement Accreditation** and is a testament to the efforts of your entire organization. We are proud to welcome your agency to the growing number of Texas Law Enforcement agencies that have demonstrated excellence through accreditation.

As part of your recognition, your agency is eligible to receive a complimentary framed accreditation certificate. Information regarding certificate ordering, accreditation logos, recognition items, and other accreditation resources is available at: [TPCA Accreditation Resources](http://TPCAAccreditationResources).

We would be honored to coordinate a formal presentation of your accreditation award at a city council, commission, board, or other public meeting. In addition, your agency will be recognized by your peers during the Awards and Accreditation Luncheon at the next TPCA Annual Conference.

To help us continuously improve the accreditation process, we invite you to complete a brief Accreditation Program Feedback Survey: Assessor Critique.

Thank you for your commitment to professional excellence and continuous improvement. We appreciate your participation in the TPCA Accreditation Program and congratulate you and your staff on this significant accomplishment.

Respectfully,

Steve Stanford

TPCAF Accreditation Committee Chairman
