

MEMORANDUM

TO: Mayor and City Council

FROM: Claire Powell, City Manager

DATE: July 21, 2025

SUBJECT: **Consideration of Appointments to the 2035 Steering Committee.**

BACKGROUND:

The success of the Lewisville 2025 vision plan was built upon extensive community engagement that produced a unified vision through the big moves and subsequent implementation of the action steps related to each big move. The most critical component of the Lewisville 2025 community engagement process was the contributions of the 50-member 2025 Steering Committee that assisted in developing the plan throughout the entire planning process.

ANALYSIS:

For the past three months, City staff and the consultant team have been working on the initial phases of the 18-month process to create the Lewisville 2035 vision plan, which will guide the city's growth, development and quality of life for the next decade. To build on the success of the Lewisville 2025 plan, it is imperative to form a steering committee once again made up of engaged residents who participate in public meetings, serve on focused subcommittees, represent diverse community perspectives, and help promote the planning process. Staff issued a call for applications to serve on the steering committee and a total of 98 applications were received. At the July 7, 2025 City Council meeting, all applicants to the 2035 Steering Committee were appointed by the Council. Due to continued interest expressed by residents wishing to serve on the committee, the Council extended the application deadline to July 18, 2025, at 5:00 p.m.

CITY STAFF'S RECOMMENDATION:

That the City Council consider the additional appointments to the 2035 Steering Committee.
