**Honorable Mayor Rudy Durham, Councilmembers: Brent Daniels, R. Neil Ferguson, TJ Gilmore, Brandon Jones, Bob Troyer**

Attached is a letter your City Secretary recently received from Mr. Mark Payne, Executive Director. The letter explains the procedure for voting for a municipal member to the Denco 9-1-1 Board.

The letter list the names of the four nominees for the position. Lewisville was one of 6 municipalities that nominated me. The other candidates only received the nomination of their city/town. I am sure that the other 3 individuals are well qualified. However, the Denco 9-1-1 Board's role is broad based and business oriented. That is the strength I bring to the board. I have received recognition for my contributions in the area of finance and management experience at the highest corporate level.

I was elected to the board four years ago and desire to continue to serve Lewisville. I am requesting your continued support and vote. Attached is my resume, but below is a simpler explanation of my previous experiences.

As the principal of my company, James P. Carter and Associates, I am primarily a general consultant and mediator for various business disciplines of corporations and governmental entities. Early in my business career, I was a Department Head in Finance for the Chevrolet Division, General Motors Corporation. I spent many years of my business career with Frito-Lay Inc. During my time with Frito-Lay, I held 13 Executive Positions, including finance, sales, marketing, advertising, distribution and top management culminating as Zone Vice President responsible for new business ventures both domestic and international. As President of Mercantile Corporation, I managed three banks in the Fort Worth area and developed 2,000 prime commercial acres adjacent to Interstates 35 West and 820. In addition, I managed our other business divisions.

During my business career, I also volunteered for 14 years as the Town of Trophy Club's first Mayor. I resigned as Mayor to become a full time Denton County Commissioner for 8 years. As County Commissioner, I was instrumental in establishing Denton County Emergency Services District #1. I am currently serving as its President. ESD#1 serves 5 municipalities, Lantana, and many rural areas in Denton County. Total emergency coverage is 65 square miles. In providing fire and emergency medical services, the District relies heavily on Denco 9-1-1 reliability and accuracy of locations. If reelected to the board, I will continue my dedication of time and experience to help maintain our superior performance.

Please contact me with any questions or I would be honored to address the council on matters relating to Denco.

Mailing address: 1005 Road Runner Road, Bartonville, Texas 76226, Email:[jim.carter1@icloud.com](mailto:jim.carter1@icloud.com): Cell: 817 239 7791.

Thank you for your nomination and I hope your vote.

**Jim Carter**
