

CERTIFICATE OF RECOGNITION

Lewisville Parks and Recreation Department 2026 Administration and Management Excellence Award

The Lewisville City Council commends the Lewisville Parks and Recreation Department for earning the 2026 Administration and Management Excellence Award from Texas Recreation and Park Society in recognition of excellence in programming and operations.

This award honors innovations in administration, management, or supervisory practices that address challenges, improve public service and enhance employee morale, staff development, or communication among the public, boards, councils, and staff. PARD earned this recognition for its Shark Tank initiative, which invited park operations crews to pitch improvement projects to leadership, shifting planning to a more collaborative, staff-driven approach.

Receipt of this award highlights PARD's ongoing commitment to delivering high-quality programs and services to the community.

I, TJ Gilmore, Mayor of Lewisville, on behalf of the City Council extend a congratulations to Parks & Recreation Department on this well-deserved honor.

TJ Gilmore, Mayor
City of Lewisville
