

This is an aerial photograph of a residential and commercial area. A red-outlined polygon in the center-right of the image identifies the 'SUBJECT PROPERTY'. The property is a large, mostly grassy lot situated between Hebron Pkwy and a lake. To the left of the subject property is a commercial building with a parking lot. To the right is a body of water. The map includes several street labels: 'LAKEPOINTE DR' (top left), 'HEBRON PKWY' (top center and middle left), and 'LAKESIDE CIR' (bottom left). A north arrow and a scale bar indicating '1 = 200 feet' are located in the bottom right corner.
