The City of Lewisville Citizen Participation Plan was prepared in accordance with Section 104(a)(3) of the Housing and Community Act of 1974 and has been amended as required for the Consolidated Plan for Housing and Community Development in accordance to 24 CFR 91.105, including revisions resulting from a Final Rule at 24 CFR Part 5 regarding the City's obligations to Affirmatively Further Fair Housing.

II. Public Documents

- A. The Citizen Participation Plan overviews the requirements of the City of Lewisville to ensure residents have the opportunity to comment on the following plans and documents. Specific requirements regarding notices, public comment periods, and public hearings can be found in Section IV.
- i. **Consolidated Plan:** A five-year strategic plan required by the US Department of Housing and Urban Development for the receipt of Community Development Block Grant (CDBG) and HOME Investment Partnerships Program (HOME) funds. The Consolidated Plan is designed to assess local affordable housing and community development needs and market conditions. Data is then used to identify housing and community development priorities that align with the focus of CDBG and HOME programs. The Consolidated Plan identifies priority needs and goals and is carried out through Annual Action Plans.
 - ii. **Annual Action Plan:** A one-year plan providing a concise summary of the actions, activities, and specific resources to be used to address the priority needs and specific goals identified by the Consolidated Plan.
 - iii. **Consolidated Annual Performance and Evaluation Report:** An annual report of accomplishments and progress toward Consolidated Plan goals.
 - iv. **Assessment of Fair Housing:** An analysis of a community's housing data and demographics to identify fair housing needs and barriers or obstacles to housing. It includes analysis requiring consultation and community participation in the analysis of fair housing data, an assessment of fair housing issues and contributing factors, and an identification of fair housing priorities and goals.
