

North Central Texas Council Of Governments

June 25, 2025

Jeff Kelly, P.E., CFM,
Assistant City Engineer
City of Lewisville Engineering Department
P.O. Box 299002
Lewisville, TX 75029-9002

Re: integrated Stormwater Management (iSWM) Certificate

Dear Mr. Kelly:

The North Central Texas Council of Governments (NCTCOG) Public Works Council is pleased to announce the City of Lewisville's status as a Certified – Silver integrated Stormwater Management (iSWM) Community! As of today, you are one of eleven certified iSWM communities.

Thank you for implementing this program within your community for the benefit of your businesses and residents. To begin recognizing your achievement, the City of Lewisville will receive an award plaque, a street sign to display where you choose, and your city logo will be displayed as a Silver iSWM Community on the iSWM webpage. Should you choose to invite us to do so, our team would be pleased to present these recognition items at one of your upcoming City Council meetings.

Congratulations on this outstanding achievement in environmental stewardship and responsible development management!

Sincerely,

Susan Alvarez, P.E., CFM
Director of Environment and Development Department
North Central Texas Council of Governments
