

PROFESSIONAL SERVICES AGREEMENT
for
#26-05-PSA - C. R. Feaster Water Treatment Plant Process Study
Phase 2 Testing

The City of Lewisville, Texas, a Texas home rule municipality (the “City”), hereby engages HDR Engineering, Inc., a Nebraska corporation, authorized to conduct business in Texas (the “Consultant”), to perform professional services in connection with the #26-05-PSA - C.R. Feaster Water Treatment Plant Process Study – Phase 2 Testing (the “Project”). The City and Consultant shall be referred to herein collectively as the “Parties.”

1. PROJECT. The Project is described as follows:

- A. The City’s Comprehensive Water System Master Plan (CWSMP) recommended a plant process study at the C.R. Feaster Water Treatment Plant (WTP) to conduct bench-scale and pilot-scale testing for proposed treatment process changes. These changes include the planned addition of ozone and potential transition to biofiltration. A primary objective for the process changes is to address seasonal taste and odor episodes. In addition, these process changes provide more robust, multi-barrier treatment to position the City for the future. Study is needed to assess the implications of new drinking water regulations (e.g., PFAS) as well as potential future regulations e.g., the Microbial / Disinfection By-Product Rule anticipated in 2026 and to position the City with a plan to address potential contaminants of emerging concern CECs) in the future. Outcomes from the study will further inform sizing of the ozone system, confirm filtration requirements, and set the stage for planned chemical system improvements. Phase 1 of the study (previously completed by Consultant) focused on developing the test plan. Phase 2 (delineated herein) includes bench-scale testing, pilot equipment procurement, start-up, mobilization, testing, de-mobilization, and a final report summarizing findings and recommendations.

2. SCOPE OF SERVICES.

22. **SUCCESSORS AND ASSIGNS; ASSIGNMENT.** The City and Consultant each binds itself and its partners, successors, executors, administrators and assigns to the other party of this Agreement and to partners, successors, executors, administrators and assigns of each other in respect to all covenants of this Agreement. Neither the City nor the Consultant shall assign, sublet, or transfer this Agreement or its interest in this Agreement without the written consent of the other, and assignment without such consent shall be void. Nothing herein shall be construed as giving any right or benefits hereunder to anyone other than the City and the Consultant.
23. **REPRESENTATIONS.** Each signatory represents this Agreement has been read by the party for which this Agreement is executed and that such party has had an opportunity to confer with its counsel.
