Such facsimile signatures on the Bonds shall have the same effect as if each of the Bonds had been signed manually and in person by each of said officers, and such facsimile seal on the Bonds shall have the same effect as if the official seal of the City had been manually impressed upon each of the Bonds.

(b) In the event that any officer of the City whose manual or facsimile signature appears on the Bonds ceases to be such officer before the authentication of such Bonds or before the delivery thereof, such manual or facsimile signature nevertheless shall be valid and sufficient for all purposes as if such officer had remained in such office.

(c) Except as provided below, no Bond shall be valid or obligatory for any purpose or be entitled to any security or benefit of this Ordinance unless and until there appears thereon the Certificate of Paying Agent/Registrar substantially in the form provided herein, duly authenticated by manual execution by an officer or duly authorized signatory of the Paying Agent/Registrar. It shall not be required that the same officer or authorized signatory of the Paying Agent/Registrar sign the Certificate of Paying Agent/Registrar on all of the Bonds. In lieu of the executed Certificate of Paying Agent/Registrar described above, the Initial Bond delivered on the Closing Date shall have attached thereto the Comptroller's Registration Certificate substantially in the form provided herein, manually executed by the Comptroller of Public Accounts of the State of Texas, or by her duly authorized agent, which certificate shall be evidence that the Initial Bond has been duly approved by the Attorney General of the State of Texas, and that it is a valid and binding obligation of the City, and that it has been registered by the Comptroller of Public Accounts of the State of Texas.

(b) All payments made to the Owner of a Bond shall be valid and effectual and shall discharge the liability of the City and the Paying Agent/Registrar upon such Bond to the extent of the sums paid.

Section 3.06. Registration, Transfer and Exchange. (a) So long as any Bond remains outstanding, the City shall cause the Paying Agent/Registrar to keep at its Designated Payment/Transfer Office a register in which, subject to such reasonable regulations as it may prescribe, the Paying Agent/Registrar shall provide for the registration and transfer of Bonds in accordance with this Ordinance.

(b) The ownership of a Bond may be transferred only upon the presentation and surrender of the Bond to the Paying Agent/Registrar at the Designated Payment/Transfer Office with such endorsement or other evidence of transfer as is acceptable to the Paying Agent/Registrar. No transfer of any Bond shall be effective until entered in the Register. A Bond may be assigned by the execution of an assignment form on the Bond or by other instrument of transfer and assignment acceptable to the Paying Agent/Registrar. A new Bond or Bonds will be delivered by the Paying Agent/Registrar, in lieu of the Bond being transferred, at the Designated Payment/Transfer Office of the Paying Agent/Registrar, or sent by United States mail, first class, postage prepaid, to the new registered owner or his designee. To the extent possible, the Paying Agent/Registrar will issue such new Bond or Bonds not more than three (3) Business Days after receipt of the Bond to be transferred in proper form and with proper instructions directing such transfer.

(c) The Bonds shall be exchangeable upon the presentation and surrender thereof at the Designated Payment/Transfer Office of the Paying Agent/Registrar for a Bond or Bonds of the same maturity and interest rate and in any denomination or denominations of any integral multiple of \$5,000 and in an aggregate principal amount equal to the unpaid principal amount of the Bonds presented for exchange. The Paying Agent/Registrar is hereby authorized to authenticate and deliver Bonds in exchange for other Bonds in accordance with this Section. To the extent possible, the Paying Agent/Registrar will issue such new Bond or Bonds not more than three (3) Business Days after receipt of the Bond to be exchanged in proper form and with proper instructions directing such exchange.

(d) Each exchange Bond delivered by the Paying Agent/Registrar in accordance with this Section shall constitute an original contractual obligation of the City and shall be entitled to the benefits and security of this Ordinance to the same extent as the Bond or Bonds in lieu of which such exchange Bond is delivered.

(e) No service charge shall be made to the Owner for the initial registration, any subsequent transfer or exchange for a different denomination of any of the Bonds. The Paying Agent/Registrar, however, may require the Owner to pay a sum sufficient to cover any tax or other governmental charge that is authorized to be imposed in connection with the registration, transfer or exchange of a Bond.

(f) Neither the City nor the Paying Agent/Registrar shall be required to issue, transfer or exchange any Bond called for redemption, in whole or in part, where such redemption is scheduled to occur within forty-five (45) calendar days after the transfer or exchange date;

provided, however, such limitation of transfer shall not be applicable to an exchange by the Owner of the uncalled principal balance of a Bond.

Section 3.07. Cancellation. All Bonds paid or redeemed before scheduled maturity in accordance with this Ordinance, and all Bonds in lieu of which exchange Bonds or replacement Bonds are authenticated and delivered in accordance with this Ordinance shall be cancelled upon the making of proper records regarding such payment, redemption, exchange or replacement and shall be disposed of pursuant to the retention policies of the Paying Agent/Registrar.

Section 3.08. Temporary Bonds. (b) Until exchanged for Bonds in definitive form, such Bonds in temporary form shall be entitled to the benefit and security of this Ordinance.

(c) The City, without unreasonable delay, shall prepare, execute and deliver to the Paying Agent/Registrar, the Bonds in definitive form; thereupon, upon the presentation and surrender of the Bond or Bonds in temporary form to the Paying Agent/Registrar, the Paying Agent/Registrar shall cancel the Bonds in temporary form and authenticate and deliver in exchange therefor a Bond or Bonds of the same maturity and series, in definitive form, in the authorized denomination, and in the same aggregate principal amount, as the Bond or Bonds in temporary form surrendered. Such exchange shall be made without the making of any charge therefor to any Owner.

Section 3.09. Replacement Bonds. (a) Upon the presentation and surrender to the Paying Agent/ Registrar of a mutilated Bond, the Paying Agent/Registrar shall authenticate and deliver in exchange therefor a replacement Bond of like tenor, maturity, principal amount and interest rate bearing a number not contemporaneously outstanding. The City or the Paying Agent/Registrar may require the Owner of such Bond to pay a sum sufficient to cover any tax or other governmental charge that is authorized to be imposed in connection therewith and any other expenses connected therewith.

(b) In the event that any Bond is lost, apparently destroyed or wrongfully taken, the Paying Agent/Registrar, pursuant to the applicable laws of the State of Texas and in the absence of notice or knowledge that such Bond has been acquired by a bona fide purchaser, shall authenticate and deliver a replacement Bond of like tenor, maturity, principal amount and interest rate bearing a number not contemporaneously outstanding, provided that the Owner first complies with the following requirements:

(i) furnishes to the Paying Agent/Registrar satisfactory evidence of his or her ownership of and the circumstances of the loss, destruction or theft of such Bond;

(ii) furnishes such security or indemnity as may be required by the Paying Agent/Registrar to save it and the City harmless;

(iii) pays all expenses and charges in connection therewith, including, but not limited to, printing costs, legal fees, fees of the Paying Agent/Registrar and any tax or other governmental charge that is authorized to be imposed; and

(iv) satisfies any other reasonable requirements imposed by the City and the Paying Agent/Registrar.

(c) After the delivery of such replacement Bond, if a bona fide purchaser of the original Bond in lieu of which such replacement Bond was issued presents for payment such original Bond, the City and the Paying Agent/Registrar shall be entitled to recover such replacement Bond from the person to whom it was delivered or any person taking therefrom, except a bona fide purchaser, and shall be entitled to recover upon the security or indemnity provided therefor to the extent of any loss, damage, cost or expense incurred by the City or the Paying Agent/Registrar in connection therewith.

(d) In the event that any such mutilated, lost, apparently destroyed or wrongfully taken Bond has become or is about to become due and payable, the Paying Agent/Registrar, in its discretion, instead of issuing a replacement Bond, may pay such Bond if it has become due and payable, or may pay such Bond when it becomes due and payable.

(e) Each replacement Bond delivered in accordance with this Section shall constitute an original additional contractual obligation of the City and shall be entitled to the benefits and security of this Ordinance to the same extent as the Bond or Bonds in lieu of which such replacement Bond is delivered.

Section 3.10. Book-Entry Only System. (a) The definitive Bonds shall be initially issued in the form of a separate single fully registered Bond for each of the maturities thereof with the ownership of each such Bond registered in the name of Cede & Co., as nominee of DTC, and except as provided in Section 3.11 hereof, all of the outstanding Bonds shall be registered in the name of Cede & Co., as nominee of DTC.

(b) With respect to Bonds registered in the name of Cede & Co., as nominee of DTC, the City and the Paying Agent/ Registrar shall have no responsibility or obligation to any DTC Participant or to any person on behalf of whom such a DTC Participant holds an interest in the Bonds. Without limiting the immediately preceding sentence, the City and the Paying Agent/Registrar shall have no responsibility or obligation with respect to (i) the accuracy of the records of DTC, Cede & Co. or any DTC Participant with respect to any ownership interest in the Bonds, (ii) the delivery to any DTC Participant or any other person, other than an Owner, as shown on the Register, of any notice with respect to the Bonds, including any notice of redemption, or (iii) the payment to any DTC Participant or any other person, other than an Owner, as shown in the Register of any amount with respect to principal of, premium, if any, or interest on the Bonds. Notwithstanding any other provision of this Ordinance to the contrary, the City and the Paying Agent/Registrar shall be entitled to treat and consider the person in whose name each Bond is registered in the Register as the absolute owner of such Bond for the purpose

of payment of principal of, premium, if any, and interest on the Bonds, for the purpose of all matters with respect to such Bond, for the purpose of registering transfer with respect to such Bond, and for all other purposes whatsoever. The Paying Agent/Registrar shall pay all principal of, premium, if any, and interest on the Bonds only to or upon the order of the respective Owners, as shown in the Register as provided in this Ordinance, or their respective attorneys duly authorized in writing, and all such payments shall be valid and effective to fully satisfy and discharge the City's obligations with respect to payment of, premium, if any, principal of and interest on the Bonds to the extent of the sum or sums so paid. No person other than an Owner, as shown in the Register, shall receive a Bond certificate evidencing the obligation of the City to make payments of amounts due pursuant to this Ordinance. Upon delivery by DTC to the Paying Agent/Registrar of written notice to the effect that DTC has determined to substitute a new nominee in place of Cede & Co., and subject to the provisions in this Ordinance with respect to interest checks or drafts being mailed to the registered Owner at the close of business on the Record Date, the word "Cede & Co." in this Ordinance shall refer to such new nominee of DTC.

Section 3.11. Successor Securities Depository; Transfer Outside Book-Entry Only System. In the event that the City or the Paying Agent/ Registrar determines that DTC is incapable of discharging its responsibilities described herein and in the representation letter between the City and DTC, and that it is in the best interest of the beneficial owners of the Bonds that they be able to obtain certificated Bonds, or in the event DTC discontinues the services described herein, the Issuer or the Paying Agent/Registrar shall (i) appoint a successor securities depository, qualified to act as such under Section 17(a) of the Securities and Exchange Act of 1934, as amended, notify DTC and DTC Participants of the appointment of such successor securities depository and transfer one or more separate Bonds to such successor securities depository or (ii) notify DTC and DTC Participants of the availability through DTC of certificated Bonds and cause the Paying Agent/Registrar to transfer one or more separate registered Bonds to DTC Participants having Bonds credited to their DTC accounts, as identified by DTC. In such event, the Bonds shall no longer be restricted to being registered in the Register in the name of Cede & Co., as nominee of DTC, but may be registered in the name of the successor securities depository, or its nominee, or in whatever name or names Owners transferring or exchanging Bonds shall designate, in accordance with the provisions of this Ordinance.

Section 3.12. Payments to Cede & Co. Notwithstanding any other provision of this Ordinance to the contrary, so long as any Bonds are registered in the name of Cede & Co., as nominee of DTC, all payments with respect to principal of, premium, if any, and interest on such Bonds, and all notices with respect to such Bonds, shall be made and given, respectively, in the manner provided in the representation letter of the City to DTC.

ARTICLE IV

REDEMPTION OF BONDS BEFORE MATURITY

Section 4.01. Limitation on Redemption. The Bonds shall be subject to redemption before their scheduled maturity only as provided in this Article IV.

Section 4.02. Optional Redemption. (a) The City reserves the option to redeem Bonds maturing on and after February 15, 2029, in whole or in part in principal amounts of \$5,000 or any integral multiple thereof before their respective scheduled maturity dates, on February 15, 2028, or on any date thereafter, such redemption date or dates to be fixed by the City, at a price equal to the principal amount of the Bonds so called for redemption plus accrued interest to the date fixed for redemption.

(b) If less than all of the Bonds are to be redeemed pursuant to an optional redemption, the City shall determine the maturity or maturities and the amounts thereof to be redeemed and shall direct the Paying Agent/Registrar to call by lot the Bonds, or portions thereof, within such maturity or maturities and in such principal amounts for redemption.

(c) The City, at least forty-five (45) days before the redemption date, unless a shorter period shall be satisfactory to the Paying Agent/Registrar, shall notify the Paying Agent/Registrar of such redemption date and of the principal amount of Bonds to be redeemed.

Section 4.03. Mandatory Sinking Fund Redemption.

(a) The Bonds maturing on February 15, 20__ (the "Term Bonds") are subject to scheduled mandatory redemption and will be redeemed by the City, in part at a price equal to the principal amount thereof, without premium, plus accrued interest to the redemption date, out of moneys available for such purpose in the Interest and Sinking Fund, on the dates and in the respective principal amounts as set forth below.

<u>\$ Term Bonds Maturing February 15, 20__</u>	
<u>Redemption Date</u>	<u>Redemption Amount</u>
February 15, 20__	\$ _____
February 15, 20__*	_____
*maturity	

(b) At least forty-five (45) days prior to each scheduled mandatory redemption date, the Paying Agent/Registrar shall select for redemption by lot, or by any other customary method that results in a random selection, a principal amount of Term Bonds equal to the aggregate principal amount of such Term Bonds to be redeemed, shall call such Term Bonds for redemption on such scheduled mandatory redemption date, and shall give notice of such redemption, as provided in Section 4.5.

(c) The principal amount of the Term Bonds required to be redeemed on any redemption date pursuant to subparagraph (a) of this Section 4.03 shall be reduced, at the option of the City, by the principal amount of any Term Bonds which, at least 45 days prior to the mandatory sinking fund redemption date (i) shall have been acquired by the City at a price not exceeding the principal amount of such Term Bonds plus accrued interest to the date of purchase thereof, and delivered to the Paying Agent/Registrar for cancellation, or (ii) shall have been redeemed pursuant to the optional redemption provisions hereof and not previously credited to a mandatory sinking fund redemption.

Section 4.04. Partial Redemption. (a) A portion of a single Bond of a denomination greater than \$5,000 may be redeemed, but only in a principal amount equal to \$5,000 or any integral multiple thereof. If such a Bond is to be partially redeemed, the Paying Agent/Registrar shall treat each \$5,000 portion of the Bond as though it were a single Bond for purposes of selection for redemption.

(b) Upon surrender of any Bond for redemption in part, the Paying Agent/Registrar, in accordance with Section 3.06 of this Ordinance, shall authenticate and deliver an exchange Bond or Bonds in an aggregate principal amount equal to the unredeemed portion of the Bond so surrendered, such exchange being without charge, notwithstanding any provision of Section 3.06 to the contrary.

(c) The Paying Agent/Registrar shall promptly notify the City in writing of the principal amount to be redeemed of any Bond as to which only a portion thereof is to be redeemed.

Section 4.05. Notice of Redemption to Owners. (a) The Paying Agent/Registrar shall give notice of any redemption of Bonds by sending notice by United States mail, first class, postage prepaid, not less than 30 days before the date fixed for redemption, to the Owner of each Bond (or part thereof) to be redeemed, at the address shown in the Register at the close of business on the Business Day next preceding the date of mailing such notice.

(b) The notice shall state the redemption date, the redemption price, the place at which the Bonds are to be surrendered for payment, and, if less than all the Bonds outstanding are to be redeemed, an identification of the Bonds or portions thereof to be redeemed.

(c) The City reserves the right to give notice of its election or direction to redeem Bonds under Section 4.02, conditioned upon the occurrence of subsequent events. Such notice may state (i) that the redemption is conditioned upon the deposit of moneys and/or authorized securities, in an amount equal to the amount necessary to effect the redemption, with the Paying Agent/Registrar, or such other entity as may be authorized by law, no later than the redemption date, or (ii) that the City retains the right to rescind such notice at any time on or prior to the scheduled redemption date if the City delivers a certificate of the City to the Paying Agent/Registrar instructing the Paying Agent/Registrar to rescind the redemption notice, and such notice and redemption shall be of no effect if such moneys and/or authorized securities are not so deposited or if the notice is rescinded. The Paying Agent/Registrar shall give prompt notice of any such rescission of a conditional notice of redemption to the affected Owners. Any Bonds subject to conditional redemption and such redemption has been rescinded shall remain Outstanding, and the rescission of such redemption shall not constitute an Event of Default. Further, in the case of a conditional redemption, the failure of the City to make moneys and/or authorized securities available in part or in whole on or before the redemption date shall not constitute an Event of Default. Any notice so mailed shall be conclusively presumed to have been duly given, whether or not the registered owner receives such notice. Notice having been so given and subject, in the case of an optional redemption, to any rights or conditions reserved by the City in the notice, the Bonds called for redemption shall become due and payable on the specified redemption date, and notwithstanding that any obligation or portion thereof has not

been surrendered for payment, interest on such obligation or portion thereof shall cease to accrue.

(d) Any notice or instructions given as provided in this Section shall be conclusively presumed to have been duly given, whether or not the Owner receives such notice.

Section 4.06. Payment Upon Redemption.

(a) Before or on each redemption date, the City shall deposit with the Paying Agent/Registrar money sufficient to pay all amounts due on the redemption date and the Paying Agent/Registrar shall make provision for the payment of the Bonds to be redeemed on such date by setting aside and holding in trust an amount from the Interest and Sinking Fund or otherwise received by the Paying Agent/Registrar from the City and shall use such funds solely for the purpose of paying the principal of, redemption premium, if any, and accrued interest on the Bonds being redeemed.

(b) Upon presentation and surrender of any Bond called for redemption at the Designated Payment/Transfer Office on or after the date fixed for redemption, the Paying Agent/Registrar shall pay the principal of, redemption premium, if any, and accrued interest on such Bond to the date of redemption from the money set aside for such purpose.

Section 4.07. Effect of Redemption.

(a) Notice of redemption having been given as provided in Section 4.04 of this Ordinance and subject, in the case of an optional redemption under Section 4.02, to any conditions or rights reserved by the City under Section 4.04(c), the Bonds or portions thereof called for redemption shall become due and payable on the date fixed for redemption and, unless the City defaults in its obligation to make provision for the payment of the principal thereof, redemption premium, if any, or accrued interest thereon, such Bonds or portions thereof shall cease to bear interest from and after the date fixed for redemption, whether or not such Bonds are presented and surrendered for payment on such date.

(b) If the City shall fail to make provision for payment of all sums due on a redemption date, then any Bond or portion thereof called for redemption shall continue to bear interest at the rate stated on the Bond until due provision is made for the payment of same.

ARTICLE V

Section 5.01. Appointment of Initial Paying Agent/Registrar. The Bank of New York Mellon Trust Company, N.A., is hereby appointed as the initial Paying Agent/Registrar for the Bonds.

The signature of the Mayor shall be attested by the City Secretary.

(b) If the Paying Agent/Registrar resigns or otherwise ceases to serve as such, the City will promptly appoint a replacement, provided no such resignation shall be effective until a successor Paying Agent/Registrar has accepted the duties of Paying Agent/Registrar for the Bonds.

Section 5.04. Termination. The City, upon not less than sixty (60) days' notice, reserves the right to terminate the appointment of any Paying Agent/Registrar by delivering to the entity whose appointment is to be terminated written notice of such termination, provided, that such termination shall not be effective until a successor Paying Agent/Registrar has been appointed and has accepted the duties of Paying Agent/Registrar for the Bonds.

Section 5.05. Notice of Change to Owners. Promptly upon each change in the entity serving as Paying Agent/Registrar, the City will cause notice of the change to be sent to each Owner by first class United States mail, postage prepaid, at the address in the Register, stating the effective date of the change and the name and mailing address of the replacement Paying Agent/Registrar.

Section 5.06. Agreement to Perform Duties and Functions. By accepting the appointment as Paying Agent/Registrar, and executing the Paying Agent/Registrar Agreement, the Paying Agent/Registrar is deemed to have agreed to the provisions of this Ordinance and that it will perform the duties and functions of Paying Agent/Registrar prescribed thereby.

Section 5.07. Delivery of Records to Successor. If a Paying Agent/Registrar is replaced, such Paying Agent/Registrar, promptly upon the appointment of the successor, will deliver the Register (or a copy thereof) and all other pertinent books and records relating to the Bonds to the successor Paying Agent/Registrar.

ARTICLE VI

The City of Lewisville, Texas (the "City"), in the Counties of Denton and Dallas, State of Texas, for value received, hereby promises to pay to

or registered assigns, but solely from the sources and in the manner hereinafter provided, on the Maturity Date specified above, the sum of

_____ DOLLARS

unless this Bond shall have been sooner called for redemption and the payment of the principal hereof shall have been paid or provided for, and to pay interest on such principal amount from the later of the Closing Date specified above or the most recent interest payment date to which interest has been paid or provided for until such principal amount shall have been paid or provision for such payment shall have been made, at the per annum rate of interest specified above, computed on the basis of a 360-day year of twelve 30-day months, such interest to be paid semiannually on February 15 and August 15 of each year, commencing February 15, 2018.

The principal of this Bond shall be payable without exchange or collection charges in lawful money of the United States of America upon presentation and surrender of this Bond at the corporate trust office in Dallas, Texas, of The Bank of New York Mellon Trust Company, N.A., as Paying Agent/Registrar (the "Designated Payment/Transfer Office"), or, with respect to a successor paying agent/registrar, at the Designated Payment/Transfer Office of such successor. Interest on this Bond is payable by check dated as of the interest payment date, and will be mailed on or before such interest payment date, by first class United States mail, postage prepaid, by the Paying Agent/Registrar to the registered owner at the address shown on the registration books kept by the Paying Agent/Registrar, or by such other customary banking arrangements acceptable to the Paying Agent/Registrar and the person to whom interest is to be paid; provided, however, that such person shall bear all risk and expense of such other customary banking arrangements. For the purpose of the payment of interest on this Bond, the registered owner shall be the person in whose name this Bond is registered at the close of business on the "Record Date," which shall be the last Business Day (as hereinafter defined) of the month next preceding such interest payment date; provided, however, that in the event of nonpayment of interest on a scheduled interest payment date, and for thirty (30) days thereafter, a new record date for such interest payment (a "Special Record Date") will be established by the Paying Agent/Registrar, if and when funds for the payment of such interest have been received from the City. Notice of the Special Record Date and of the scheduled payment date of the past due interest (the "Special Payment Date," which date shall be fifteen (15) days after the Special Record Date) shall be sent at least five (5) Business Days (as hereinafter defined) prior to the Special Record Date by United States mail, first class, postage prepaid, to the address of each registered owner of a Bond appearing on the books of the Paying Agent/Registrar at the close of business on the last Business Day next preceding the date of mailing of such notice.

If the date for the payment of the principal of or interest on this Bond is not a Business Day, the date for such payment shall be the next succeeding day which is not a Saturday, Sunday or legal holiday, or day on which banking institutions in the State of Texas or the city in which the Designated Payment/Transfer Office of the Paying Agent/Registrar is located are generally authorized or obligated by law or executive order to close (a "Business Day"), and payment on such date shall for all purposes be deemed to have been made on the original date payment was due.

This Bond is one of the series of fully registered bonds specified in its title issued in the aggregate principal amount of \$_____ (herein referred to as the "Bonds"), dated as of September 1, 2017, issued pursuant to the authority provided by Chapters 1207 and 1502, Texas Government Code, as amended, and a certain ordinance adopted by the governing body of the City (the "Ordinance"). Capitalized terms used herein and not otherwise defined shall have the meaning assigned thereto in the Ordinance. The Bonds are issued for the purposes of (i)

paying costs related to improving and extending the City's waterworks and sewer system (the "System"), and (ii) paying the costs of issuing the Bonds.

The Bonds, together with certain outstanding revenue bonds of the City (the "Bonds Similarly Secured"), constitute special obligations of the City and are payable solely from and equally secured by a first lien on and pledge of the Net Revenues of the System.

The City expressly reserves the right to issue additional revenue obligations in all things on a parity with the Bonds and the Bonds Similarly Secured, payable solely from and equally secured by a first lien on and pledge of the Net Revenues of the System; provided, however, that any and all such additional obligations may be so issued only in accordance with and subject to the covenants, conditions, limitations and restrictions relating thereto which are set out and contained in the Ordinance to which reference is hereby made for more complete and full particulars.

The owner hereof shall never have the right to demand payment of this Bond out of funds raised or to be raised by taxation.

The City has reserved the option to redeem the Bonds maturing on or after February 15, 2029, in whole or in part, before their respective scheduled maturity dates, on February 15, 2028, or on any date thereafter, at a price equal to the principal amount of the Bonds so called for redemption plus accrued interest to the date fixed for redemption. If less than all of the Bonds are to be redeemed, the City shall determine the maturity or maturities and the amounts thereof to be redeemed and shall direct the Paying Agent/Registrar to call by lot the Bonds, or portions thereof, within such maturity and in such principal amounts, for redemption.

The Bonds maturing on February 15, 20__ (the "Term Bonds") are subject to scheduled mandatory redemption and will be redeemed by the City, in part at a price equal to the principal amount thereof, without premium, plus accrued interest to the redemption date, out of moneys available for such purpose in the Interest and Sinking Fund, on the dates and in the respective principal amounts as set forth below.

\$ _____ Term Bonds Maturing February 15, 203

At least forty-five (45) days prior to each scheduled mandatory redemption date, the Paying Agent/Registrar shall select for redemption by lot, or by any other customary method that results in a random selection, a principal amount of Term Bonds equal to the aggregate principal amount of such Term Bonds to be redeemed, shall call such Term Bonds for redemption on such scheduled mandatory redemption date, and shall give notice of such redemption, as provided in the Ordinance.

In lieu of calling the Term Certificates described above, for mandatory redemption, the City reserves the right to purchase such Term Bonds at a price not exceeding the principal amount thereof, plus accrued interest, with (a) moneys on deposit in the Interest and Sinking Fund which are available for the mandatory redemption of such Term Bonds or (b) other lawfully available funds.

Upon any such purchase in lieu of redemption, not less than five (5) days prior to a mandatory redemption date, the City shall deliver such Term Bonds to the Paying Agent/Registrar prior to the selection of the Term Bonds for redemption and the principal amount so delivered shall be credited against the amount required to be called for redemption in that year.

Not less than thirty (30) days prior to a redemption date for the Bonds, the City shall cause a notice of redemption to be sent by United States mail, first class, postage prepaid, to the Owners of the Bonds to be redeemed at the address of the Owner appearing on the registration books of the Paying Agent/Registrar at the close of business on the Business Day next preceding the date of mailing such notice.

In the Ordinance, the City reserves the right, in the case of an optional redemption, to give notice of its election or direction to redeem Bonds conditioned upon the occurrence of subsequent events. Such notice may state (i) that the redemption is conditioned upon the deposit of moneys and/or authorized securities, in an amount equal to the amount necessary to effect the redemption, with the Paying Agent/Registrar, or such other entity as may be authorized by law, no later than the redemption date, or (ii) that the City retains the right to rescind such notice at any time on or prior to the scheduled redemption date if the City delivers a certificate of the City to the Paying Agent/Registrar instructing the Paying Agent/Registrar to rescind the redemption notice, and such notice and redemption shall be of no effect if such moneys and/or authorized securities are not so deposited or if the notice is rescinded. The Paying Agent/Registrar shall give prompt notice of any such rescission of a conditional notice of redemption to the affected Owners. Any Bonds subject to conditional redemption and such redemption has been rescinded shall remain Outstanding, and the rescission of such redemption shall not constitute an Event of Default. Further, in the case of a conditional redemption, the failure of the City to make moneys and/or authorized securities available in part or in whole on or before the redemption date shall not constitute an Event of Default. Any notice so mailed shall be conclusively presumed to have been duly given, whether or not the registered owner receives such notice. Notice having been so given and subject, in the case of an optional redemption, to any rights or conditions reserved by the City in the notice, the Bonds called for redemption shall become due and payable on the specified redemption date, and notwithstanding that any obligation or portion thereof has not been surrendered for payment, interest on such obligation or portion thereof shall cease to accrue.

As provided in the Ordinance, and subject to certain limitations therein set forth, this Bond is transferable upon surrender of this Bond for transfer at the Designated Payment/Transfer Office of the Paying Agent/Registrar with such endorsement or other evidence of transfer as is acceptable to the Paying Agent/Registrar; thereupon, one or more new fully registered Bonds of the same stated maturity, of authorized denominations, bearing the same rate of interest, and for the same aggregate principal amount will be issued to the designated transferee or transferees.

Neither the City nor the Paying Agent/Registrar shall be required to issue, transfer or exchange any Bond called for redemption where such redemption is scheduled to occur within forty-five (45) calendar days of the transfer or exchange date; provided, however, such limitation shall not be applicable to an exchange by the registered owner of the uncalled principal balance of a Bond.

The City, the Paying Agent/Registrar, and any other person may treat the person in whose name this Bond is registered as the owner hereof for the purpose of receiving payment as herein provided (except interest shall be paid to the person in whose name this Bond is registered on the "Record Date" or "Special Record Date," as applicable) and for all other purposes, whether or not this Bond be overdue, and neither the City, nor the Paying Agent/Registrar nor any other person shall be affected by notice to the contrary.

IT IS HEREBY CERTIFIED AND RECITED that the issuance of this Bond and the series of which it is a part is duly authorized by law; that all acts, conditions and things required to be done precedent to and in the issuance of the Bonds to render the same lawful and valid have been properly done and have happened in regular and due time, form and manner as required by law; that the Bonds do not exceed any constitutional or statutory limitation; and that provision has been made for the payment of the principal of and interest on the Bonds by irrevocably pledging the Net Revenues of the System, as hereinabove recited.

IN WITNESS WHEREOF, the City has caused this Bond to be executed in its name by the manual or facsimile signature of the Mayor of the City and countersigned by the manual or facsimile signature of the City Secretary, and the official seal of the City has been duly impressed or placed in facsimile on this Bond.

The Official Statement as thus approved and delivered, with such appropriate variations as shall be approved by the Mayor of the City and the Purchasers, may be used by the Purchasers in the public offering and sale thereof. The use and distribution of the Preliminary Official Statement in the public offering of the Bonds by the Purchasers is hereby ratified, approved and confirmed. (c) All officers of the City are authorized to execute such documents, certificates and receipts, and to make such elections pertaining to the tax-exempt status of the Bonds, and to take such actions as they may deem appropriate in order to consummate the delivery of the Bonds. Further, in connection with the submission of the record of proceedings for the Bonds to the Attorney General of the State of Texas for examination and approval of such Bonds, the appropriate officer of the City is hereby authorized and directed to issue a check of the City payable to the Attorney General of the State of Texas as a nonrefundable examination fee in the amount required by Chapter 1202, Texas Government Code (such amount to be the lesser of (i) 1/10th of 1% of the principal amount of the Bonds or (ii) \$9,500).

(d) The obligation of the Purchasers to accept delivery of the Bonds is subject to the Purchasers being furnished with the final, approving opinion of Bracewell LLP, Bond Counsel for the City, which opinion shall be dated and delivered the Closing Date.

Section 7.02. Control and Delivery of Bonds. (a) The Mayor of the City is hereby authorized to have control of the Initial Bond and all necessary records and proceedings pertaining thereto pending investigation, examination and approval of the Attorney General of the State of Texas, registration by the Comptroller of Public Accounts of the State of Texas, and registration with, and initial exchange or transfer by, the Paying Agent/Registrar.

(b) After registration by the Comptroller of Public Accounts of the State of Texas, delivery of the Bonds shall be made to the Purchasers under and subject to the general supervision and direction of the Mayor against receipt by the City of all amounts due to the City under the terms of sale.

(c) In the event the Mayor or City Secretary is absent or otherwise unable to execute any document or take any action authorized herein, the Mayor Pro Tem and the Assistant City Secretary, respectively, shall be authorized to execute such documents and take such actions, and the performance of such duties by the Mayor Pro Tem and the Assistant City Secretary shall for the purposes of this Ordinance have the same force and effect as if such duties were performed by the Mayor and City Secretary, respectively.

ARTICLE VIII

FUNDS AND ACCOUNTS

Section 8.01. Special Funds. The City covenants and agrees that all revenues derived from the operation of the System shall be kept separate from other funds of the City. To that end, the establishment of the following special Funds is hereby confirmed and such Funds shall be maintained in an official depository bank of the City so long as any of the Bonds Similarly Secured are outstanding and unpaid, to-wit:

(a) "City of Lewisville Water and Sewer System Fund," herein called the "System Fund";

(b) “City of Lewisville Interest and Sinking Revenue Bond Fund,” herein called the “Bond Fund”; and

(c) “City of Lewisville Revenue Bond Reserve Fund,” herein called the “Reserve Fund.”

Section 8.02. System Fund. The City hereby covenants and agrees that Gross Revenues of the System (excluding earnings and income derived from investments held in the Bond Fund and Reserve Fund) shall be deposited as collected to the credit of the System Fund maintained at an official depository of the City, and such revenues of the System shall be kept separate and apart from all other funds of the City. All revenues deposited in the System Fund shall be pledged and appropriated to the extent required for the following uses and in the order of priority shown:

(a) To the payment of all necessary and reasonable Maintenance and Operating Expenses or required by statute to be a first charge on and claim against the Gross Revenues thereof.

(b) To the payment of the amounts required to be deposited in the Bond Fund established and maintained for the payment of Debt Service on the Bonds Similarly Secured as the same becomes due and payable.

(c) To the payment of the amounts required to be deposited in the Reserve Fund to accumulate and maintain therein the Required Reserve in accordance with the provisions of this Ordinance or any other ordinance relating to the issuance of Bonds Similarly Secured.

Any Net Revenues remaining in the System Fund after satisfying the foregoing payments, or making adequate and sufficient provision for the payment thereof, may be appropriated and used for any other City purpose now or hereafter permitted by law.

Section 8.03. Bond Fund. For purposes of providing funds to pay the principal of and interest on the Bonds Similarly Secured as the same becomes due and payable, the City agrees to maintain at a depository bank of the City the Bond Fund as a separate and special account. In addition to the deposits to the Bond Fund for the payment of the Previously Issued Bonds, the City covenants that there shall be deposited into the Bond Fund prior to each principal payment date and Interest Payment Date from the Net Revenues an amount equal to one hundred per centum (100%) of the amount required to fully pay the interest on and the principal of the Bonds then falling due and payable by reason of maturity or redemption, and such deposits to pay principal of and accrued interest on the Bonds shall be made in substantially equal monthly installments on or before the last day of each month, beginning on or before the last day of the month next following the delivery of the Bonds to the initial purchaser thereof. If the Net Revenues in any month are then insufficient to make the required payments into the Bond Fund, then the amount of any deficiency in the payment shall be added to the amount otherwise required to be paid into the Bond Fund in the next month.

The required monthly deposits to the Bond Fund for the payment of principal of and interest on the Bonds shall continue to be made as hereinabove provided until (i) the total amount on deposit in the Bond Fund and the Reserve Fund is equal to the amount required to fully pay

and discharge all Outstanding Bonds Similarly Secured (principal and interest) or (ii) the Bonds are no longer Outstanding.

Accrued interest, if any, received from the Purchasers, as well as any excess proceeds of the Bonds not required to complete the improvements and extensions to be made to the System and any earnings derived from the investment of moneys in the Bond Fund, shall be deposited to the credit of the Bond Fund and taken into consideration to reduce the amount of the monthly deposits hereinabove required to be deposited in the Bond Fund from the Net Revenues.

Section 8.04. Reserve Fund. For purposes of accumulating and maintaining funds as a reserve for the payment of the Bonds Similarly Secured, the City reaffirms its covenant with the owners of the Previously Issued Bonds and agrees with the Owners to maintain the Reserve Fund, and all funds deposited therein (excluding earnings and income derived or received from deposits or investments which may be transferred to the System Fund during such periods as there is on deposit in the Reserve Fund the Required Reserve) shall be used solely for the payment of the principal of and interest on the Bonds Similarly Secured when (whether at maturity, upon a mandatory redemption date or any interest payment date) other funds available for such purposes are insufficient, and, in addition, may be used to the extent not required to maintain the "Required Reserve," to pay, or provide for the payment of the final principal amount of a series of Bonds Similarly Secured so that such series of Bonds Similarly Secured is no longer deemed to be "Outstanding" as such term is defined herein.

In accordance with the provisions of the ordinances authorizing the issuance of the Previously Issued Bonds, the total amount ultimately required to be accumulated and maintained in the Reserve Fund is \$3,846,114 (the "Old Reserve"). By reason of the issuance of the Bonds, the total amount required to be accumulated and maintained in the Reserve Fund is hereby determined to be \$_____ (the "Required Reserve") which amount is hereby found to equal or exceed the Average Annual Debt Service for the Bonds and the Previously Issued Bonds (calculated on a Fiscal Year basis as of the date the Bonds are to be delivered). In addition to the monthly deposits currently being made to accumulate the Old Reserve, the City agrees that beginning on or before the last day of the month next following the month the Bonds are delivered to the Purchasers and on or before the last day of each following month until the Required Reserve has been fully accumulated, there shall be deposited into the Reserve Fund from the Net Revenues an amount equal to at least 1/60th of the difference between the Required Reserve and the Old Reserve.

As and when Additional Parity Bonds are delivered or incurred, the Required Reserve shall be increased, if required, to an amount equal to not less than the Average Annual Debt Service (calculated on a Fiscal Year basis) for all Bonds Similarly Secured then Outstanding, as determined on the date each series of Additional Parity Bonds are delivered or incurred, as the case may be. Any additional amount required to be maintained in the Reserve Fund shall be so accumulated by the deposit in the Reserve Fund of all or any part thereof in cash immediately after the delivery of the then proposed Additional Parity Bonds, or, at the option of the City, by the deposit of monthly installments, made on or before the last day of each month following the month of delivery of the then proposed Additional Parity Bonds, of not less than 1/60th of the additional amount to be maintained in said Fund by reason of the issuance of the Additional

Parity Bonds then being issued (or 1/60th of the balance of the additional amount not deposited immediately in cash).

When and so long as the cash and investments in the Reserve fund total not less than the Required Reserve, no deposits need be made to the credit of the Reserve Fund; but, if and when the Reserve Fund at any time contains less than the Required Reserve (other than as the result of the issuance of Additional Parity Bonds as provided in the preceding paragraph), the City covenants and agrees to cure the deficiency in the Required Reserve by resuming monthly deposits to said Fund from the Net Revenues; such monthly deposits to be in amounts equal to not less than 1/60th of the then total Required Reserve to be maintained in said Fund and to be made on or before the last day of each month until the total Required Reserve then to be maintained in said Fund has been fully restored. The City further covenants and agrees that, subject only to the payments to be made to the Bond Fund, the Net Revenues shall be applied and appropriated and used to establish and maintain the Required Reserve and to cure any deficiency in such amounts as required by the terms of this Ordinance and any other ordinance pertaining to the issuance of Additional Parity Bonds.

During such time as the Reserve Fund contains the total Required Reserve, the City may, at its option, withdraw all surplus in the Reserve Fund in excess of the Required Reserve and deposit such surplus in the System Fund.

Section 8.05. Deficiencies in Funds. If on any occasion there shall not be sufficient Net Revenues to make the required deposits into the Bond fund and the Reserve Fund, then such deficiency shall be cured as soon as possible from the next available Net Revenues, or from any other sources available for such purpose.

Section 8.06. Excess Revenues. Subject to making the required deposits to the Bond Fund and the Reserve Fund when and as required by this Ordinance, or any ordinance authorizing the issuance of Additional Parity Bonds, the excess Net Revenues may be used by the City for any lawful purpose.

Section 8.07. Security of Funds. All moneys on deposit in the funds referred to in this Article shall be secured in the manner and to the fullest extent required by the laws of the State of Texas for the security of public funds, and moneys on deposit in such funds shall be used only for the purposes permitted by this Ordinance.

Section 8.08. Investment of Certain Funds. Money deposited to the credit of any Fund referenced in this Ordinance may, at the option of the City, be placed in time deposits or certificates of deposit secured (to the extent not insured by the Federal Deposit Insurance Corporation) by obligations of the type hereinafter described, or may be invested, including investments held in book-entry form, in direct obligations of the United States of America and obligations guaranteed or insured by the United States of America, which, in the opinion of the Attorney General of the United States, are backed by the full faith and credit or represent its general obligations; provided that all such deposits and investments shall be made in such a manner that the money required to be expended from any Fund will be available at the proper time or times. Such investments (except State and Local Government Series investments held in book entry form, which shall at all times be valued at cost) shall be valued in terms of current

market value within forty-five (45) days of the close of each Fiscal Year and, with respect to investments held for the account of the Reserve Fund, within thirty (30) days of the date of passage of each ordinance authorizing the issuance of Additional Parity Bonds. All interest and income derived from deposits and investments in the Bond Fund immediately shall be credited to, and any losses shall be debited to, the Bond Fund. All interest and income derived from deposits and investments of the Reserve Fund shall, subject to the limitations provided in Section 8.04, be credited to and deposited in the System Fund. All such investments shall be sold promptly, when necessary, to prevent any default in connection with the Bonds.

Money deposited to the credit of any of the Funds referenced in this Ordinance, to the extent not invested, shall be secured in the manner and to the fullest extent required by the laws of the State of Texas for the security of public funds.

ARTICLE IX

ADDITIONAL PARITY BONDS

Section 9.01. Additional Parity Bonds. Subject to the provisions hereinafter appearing as to conditions precedent which must be satisfied, the City reserves the right to issue, from time to time as needed, Additional Parity Bonds for any lawful purpose. Such Additional Parity Bonds may be issued in such form and manner as now or hereafter authorized by the laws of the State of Texas for the issuance of evidences of indebtedness or other instruments, and should new methods or financing techniques be developed that differ from those now available and in normal use, the City reserves the right to employ the same in its financing arrangements provided only that the following conditions precedent for the authorization and issuance of the same are satisfied, to wit:

(a) The Director of Finance of the City (or other officer of the City then having the primary responsibility for the financial affairs of the City) shall have executed a certificate stating (i) that, to the best of his or her knowledge or belief, the City is not then in default as to any covenant, obligation or agreement contained in any ordinance or other proceedings relating to any obligations of the City payable from and secured by a lien on and pledge of the Net Revenues that would materially affect the security or payment of such obligations and (ii) either (A) payments into all special funds or accounts created and established for the payment and security of all outstanding obligations payable from and secured by a lien on and pledge of the Net Revenues have been made and that the amounts on deposit in such special funds or accounts are the amounts then required to be on deposit therein or (B) the application of the proceeds of sale of such obligations then being issued will cure any such deficiency.

(b) The Additional Parity Bonds shall be scheduled to mature or be payable as to principal on February 15 or August 15 (or both) in each year the same are to be outstanding or during the term thereof.

(c) The City has secured a certificate or opinion of a Certified Public Accountant to the effect that, according to the books and records of the City, the Net Earnings for the last completed Fiscal Year, or for twelve consecutive months out of the fifteen months, immediately preceding the month the ordinance authorizing the issuance of such Additional Parity Bonds is

adopted, are at least equal to (i) 1.25 times the Average Annual Debt Service for all Outstanding Bonds Similarly Secured after giving effect to the issuance of the Additional Parity Bonds then being issued and (ii) 1.10 times the maximum annual Debt Service payment to be paid in a Fiscal Year for the Outstanding Bonds Similarly Secured after giving effect to the issuance of the Additional Parity Bonds then being issued. In making a determination of the Net Earnings, the Accountant may take into consideration a change in the rates and charges for services and facilities afforded by the System that became effective at least sixty (60) days prior to the last day of the period for which Net Earnings are determined and, for purposes of satisfying the above Net Earnings test, make a pro forma determination of the Net Earnings of the System for the period of time covered by his certification or opinion based on such change in rates and charges being in effect for the entire period covered by the Accountant's certificate or opinion.

Section 9.02. Refunding Bonds. The City reserves the right to issue refunding bonds to refund all or any part of the Bonds Similarly Secured (pursuant to any law then available) upon such terms and conditions as the City Council of the City may deem to be in the best interest of the City and its inhabitants, and if less than all such Bonds Similarly Secured then outstanding are refunded, the conditions precedent prescribed (for the issuance of Additional Parity Bonds) in Section 9.01(c) shall be satisfied and the Accountant's certificate or opinion required in Section 9.01(c) shall give effect to the Debt Service of the proposed refunding bonds (and shall not give effect to the Debt Service of the Bonds Similarly Secured being refunded following their cancellation or provision being made for their payment).

Section 9.03. Obligations of Inferior Lien and Pledge. The City hereby reserves the right to issue obligations payable from and secured by a lien on and pledge of the Net Revenues, junior and subordinate in rank and dignity to the lien and pledge securing the payment of the Bonds Similarly Secured, as may be authorized by the laws of the State of Texas.

ARTICLE X

REPRESENTATIONS AND COVENANTS

Section 10.01. Payment of Bonds and Additional Parity Bonds. While any of the Bonds are Outstanding, the City's Director of Finance (or other designated financial officer of the City) shall cause to be transferred to the Paying Agent/Registrar, from funds on deposit in the Bond Fund, and, if necessary, in the Reserve Fund, amounts sufficient to fully pay and discharge promptly as each installment of interest and principal of the Bonds accrues or matures or comes due by reason of redemption prior to maturity; such transfer of funds to be made in such manner as will cause immediately available funds to be deposited with the Paying Agent/Registrar for the Bonds at the close of the Business Day next preceding the date of payment for the Bonds.

Section 10.02. Rates. For the benefit of the Owners and in addition to all provisions and covenants in the laws of the State of Texas and in this Ordinance, the City hereby expressly stipulates and agrees, while any of the Bonds are Outstanding, to establish and maintain rates and charges for facilities and services afforded by the System that are reasonably expected, on the basis of available information and experience and with due allowance for contingencies, to produce Gross Revenues in each Fiscal Year sufficient:

(a) To pay Maintenance and Operating Expenses, depreciation charges and replacement and betterment costs;

(b) To produce Net Revenues sufficient to pay the principal of and interest on the Bonds Similarly Secured and the amounts required to be deposited in any reserve or contingency fund created for the payment and security of the Bonds Similarly Secured, and other obligations or evidences of indebtedness issued or incurred that are payable only from and secured solely by a lien on and pledge of the Net Revenues.

(c) To produce Net Revenues equal to at least 1.10 times the annual Debt Service for the Fiscal Year on the Outstanding Bonds Similarly Secured, and

(d) To pay all other indebtedness payable from the Net Revenues and/or secured by a lien on the properties or the revenues of the System.

Section 10.03. Maintenance and Operation; Insurance. The City shall maintain the System in good condition and operate the System in an efficient manner and at reasonable cost. While any Bonds are Outstanding, the City agrees to maintain casualty and other insurance on the System of a kind and in an amount which usually would be carried by municipal corporations owning and operating similar properties. Nothing in this Ordinance shall be construed as requiring the City to expend any funds which are derived from sources other than operation of the System, but nothing herein shall be construed as preventing the City from doing so.

Section 10.04. Records; Accounts; Accounting Reports. (a) The City hereby covenants and agrees that so long as any of the Bonds are Outstanding, it will keep and maintain separate and complete records and accounts pertaining to the operations of the System in which complete and correct entries shall be made of all transactions relating thereto, as provided by Chapter 1502, Texas Government Code, as amended. The Owners of any of the Bonds or any duly authorized agent or agents of such Owners shall have the right at all reasonable times to inspect such records, accounts and data relating thereto, and to inspect the System and all properties comprising same. The City further agrees that following the close of each Fiscal Year, it will cause an audit of such books and accounts to be made by an independent firm of Certified Public Accountants. Each such audit, in addition to whatever other matters may be thought proper by the accountant, shall particularly include the following:

- (i) A statement of the income and expenses of the System for such Fiscal Year;
- (ii) A balance sheet for the System as of the end of such Fiscal Year;
- (iii) A statement describing the sources and application of funds of the System for such Fiscal Year; and
- (iv) Accountant's comment regarding the manner in which the City has carried out the requirements of this Ordinance and any other ordinance authorizing the issuance of Additional Parity Bonds and his recommendations for any changes or improvements in the operations, records or accounts of the System.

(b) Expenses incurred in making an annual audit of the operations of the System are to be regarded as Maintenance and Operating Expenses. Copies of each annual audit shall be furnished to the Executive Director of the Municipal Advisory Council of Texas at such Executive Director's office in Austin, Texas, and, upon request, to the Purchasers and subsequent Owners of any of said Bonds. The audits herein required shall be made within one hundred twenty (120) days following the close of each Fiscal Year insofar as is possible.

Section 10.05. Sale or Lease of Properties. The City, to the extent and in the manner authorized by law, may sell or exchange for consideration representing the fair market value thereof, as determined by the City Council of the City, any property not necessary or required in the efficient operations of the System, or any equipment not necessary or useful in the operations thereof or which is obsolete, damaged or worn out or otherwise unsuitable for use in the operation of the System. The proceeds of any sale of properties of the System shall be deposited in the System Fund.

Section 10.06. Further Covenants. The City hereby further covenants and agrees as follows:

(a) It has the lawful power to pledge the Net Revenues to the payment of the Bonds to the extent provided herein and has lawfully exercised said power under the Constitution and laws of the State of Texas; that the Bonds, Previously Issued Bonds and Additional Parity Bonds shall be ratably secured under such pledge in such manner that one bond shall have preference over any other bond of said issues.

(b) The Net Revenues of the System have not been in any manner pledged or encumbered to the payment of any debt or obligation of the City or the System, save and except for the Previously Issued Bonds and the Bonds.

(c) No free service of the System shall be allowed, and should the City or any of its agencies or instrumentalities make use of the services and facilities of the System, payment of the reasonable value thereof shall be made by the City out of funds from sources other than the revenues and income of the System.

(d) To the extent that it legally may and so long as any of the Bonds are Outstanding, no franchise shall be authorized for the installation or operation of any waterworks or sewer system other than those owned by the City, and the operation of any such system by anyone other than this City if hereby prohibited.

(e) The City will comply with all of the terms and conditions of any and all franchises, permits and authorizations applicable to or necessary with respect to the System, and which have been obtained from any governmental agency; and the City has or will obtain and keep in full force and effect all franchises, permits, authorizations and other requirements applicable to or necessary with respect to the acquisition, construction, equipment, operation and maintenance of the System.

Section 10.07. Amendments. (a) This Ordinance shall constitute a contract with the Owners from time to time, be binding on the City, and shall not be amended or repealed by the City so long as any Bond remains outstanding, except as permitted in this Section.

(b) The City may, without the consent of or notice to any Owners of Bonds, from time to time and at any time, amend this Ordinance in any manner not detrimental to the interests of the Owners of any Bonds, including the curing of any ambiguity, inconsistency, or formal defect or omission herein.

(c) In addition, the City may, with the written consent of Owners of Bonds owning a majority in aggregate principal amount of the Bonds Similarly Secured then Outstanding and affected thereby, amend, add to or rescind any of the provisions of this Ordinance; provided that, without the consent of all Owners of outstanding Bonds, no such amendment, addition or rescission shall (i) extend the time or times of payment of the principal of, premium, if any, and interest on the Bonds, reduce the principal amount thereof, the redemption price therefor or the rate of interest thereon, or in any other way modify the terms of payment of the principal of, premium, if any, or interest on the Bonds, (ii) give any preference to any Bond over any other Bond, or (iii) reduce the aggregate principal amount of Bonds or Bonds Similarly Secured, as the case may be, required for consent to any such amendment, addition or rescission.

Section 10.08. Federal Income Tax Exclusion. (a) General. The City intends that the interest on the Bonds will be excludable from gross income for purposes of federal income taxation pursuant to sections 103 and 141 through 150 of the Code, and the applicable Treasury Regulations (the “Regulations”). The City covenants and agrees not to take any action, or omit to take any action within its control, that if taken or omitted, respectively, would (i) cause the interest on the Bonds to be includable in the gross income, as defined in section 61 of the Code, for federal income tax purposes or (ii) result in the violation of or failure to satisfy any provision of Section 103 and 141 through 150 of the Code and the applicable Regulations that is applicable to the Bonds. In particular, the City covenants and agrees to comply with each requirement of this Section 10.08; provided, however, that the City shall not be required to comply with any particular requirement of this Section 10.08 if the City has received an opinion of nationally recognized bond counsel (“Counsel’s Opinion”) that (i) such noncompliance will not adversely affect the exclusion from gross income for federal income tax purposes of interest on the Bonds or (ii) compliance with some other requirement set forth in this Section 10.08 will satisfy the applicable requirements of the Code and the Regulations, in which case compliance with such other requirement specified in such Counsel’s Opinion shall constitute compliance with the corresponding requirement specified in this Section 10.08.

(b) No Private Use or Payment and No Private Loan Financing. The City covenants and agrees that it will make such use of the proceeds of the Bonds, including interest or other investment income derived from Bond proceeds, regulate the use of property financed, directly or indirectly, with such proceeds, and take such other and further action as may be required so that the Bonds will not be “private activity bonds” within the meaning of section 141 of the Code and the Regulations promulgated thereunder. Moreover, the City will certify, through an authorized officer, employee or, agent, that based upon all facts and estimates known or reasonably expected to be in existence on the date the Bonds are delivered, the proceeds of the Refunded Bonds have not been and the proceeds of the Bonds will not be used in a manner that would cause the Bonds to be “private activity bonds” within the meaning of section 141 of the Code and the Regulations.

(c) No Federal Guarantee. The City covenants and agrees that it has not and will not take any action, and has not knowingly omitted and will not knowingly omit to take any action within its control, that, if taken or omitted, respectively, would cause the Bonds to be “federally guaranteed” within the meaning of section 149(b) of the Code and the applicable Regulations promulgated thereunder, except as permitted by section 149(b)(3) of the Code and such Regulations.

(d) No Hedge Bonds. The City covenants and agrees that it has not and will not take any action, and has not knowingly omitted and will not knowingly omit to take any action, within its control, that, if taken or omitted, respectively, would cause the Bonds to be “hedge bonds” within the meaning of section 149(g) of the Code and the applicable Regulations thereunder. Moreover, the City will certify, through an authorized officer, employee or agent based on all facts and estimates known or reasonably expected to be in existence on the date the Bonds are delivered, that the proceeds of the Refunded Bonds have not been used in a manner that would cause the Refunded Bonds or the Bonds to be “hedge bonds” within the meaning of section 149(g) of the Code and the Regulations promulgated thereunder.

(e) No Arbitrage. The City covenants and agrees that it will make such use of the proceeds of the Bonds including interest or other investment income derived from Bond proceeds, regulate investments of proceeds of the Bonds, and take such other and further action as may be required so that the Bonds will not be “arbitrage bonds” within the meaning of section 148(a) of the Code and the applicable Regulations thereunder. Moreover, the City will certify, through an authorized officer, employee or agent that based upon all facts and estimates known or reasonably expected to be in existence on the date the Bonds are delivered, the proceeds of the Bonds will not be used in a manner that would cause the Bonds to be “arbitrage bonds” within the meaning of section 148(a) of the Code and the applicable Regulations promulgated thereunder.

(f) Arbitrage Rebate. If the City does not qualify for an exception to the requirements of Section 148(f) of the Code relating to the required rebate to the United States, the City will take all necessary steps to comply with the requirement that certain amounts earned by the City on the investment of the “gross proceeds” of the Bonds (within the meaning of section 148(f)(6)(B) of the Code), be rebated to the federal government. Specifically, the City will (i) maintain records regarding the investment of the gross proceeds of the Bonds as may be required to calculate the amount earned on the investment of the gross proceeds of the Bonds separately from records of amounts on deposit in the funds and accounts of the City allocable to other bond issues of the City or moneys that do not represent gross proceeds of any bonds of the City, (ii) determine at such times as are required by the applicable Regulations, the amount earned from the investment of the gross proceeds of the Bonds that is required to be rebated to the federal government, and (iii) pay, not less often than every fifth anniversary date of the delivery of the Bonds or on such other dates as may be permitted under the Regulations, all amounts required to be rebated to the federal government. Further, the City will not indirectly pay any amount otherwise payable to the federal government pursuant to the foregoing requirements to any person other than the federal government by entering into any investment arrangement with respect to the gross proceeds of the Bonds that might result in a reduction in the amount required to be paid to the federal government because such arrangement results in a

smaller profit or a larger loss than would have resulted if the arrangement had been at arm's length and had the yield on the issue not been relevant to either party.

(g) Information Reporting. The City covenants and agrees to file or cause to be filed with the Secretary of the Treasury, not later than the 15th day of the second calendar month after the close of the calendar quarter in which the Bonds are issued, an information statement concerning the Bonds, all under and in accordance with section 149(e) of the Code and the applicable Regulations promulgated thereunder.

(h) Record Retention. The City will retain all pertinent and material records relating to the use and expenditure of the proceeds of the Refunded Bonds and the Bonds until three years after the last Bond is redeemed, or such shorter period as authorized by subsequent guidance issued by the Department of Treasury, if applicable. All records will be kept in a manner that ensures their complete access throughout the retention period. For this purpose, it is acceptable that such records are kept either as hardcopy books and records or in an electronic storage and retrieval system, provided that such electronic system includes reasonable controls and quality assurance programs that assure the ability of the City to retrieve and reproduce such books and records in the event of an examination of the Bonds by the Internal Revenue Service.

(i) Registration. The Bonds will be issued in registered form.

(j) Deliberate Actions. The City will not take a deliberate action (as defined in section 1.141-2(d)(3) of the Regulations) that causes the Bonds to meet any requirement of section 141 of the Code after the issue date of the Bonds unless an appropriate remedial action is taken permitted by section 1.141-12 of the Regulations, the City takes such action, and opinion of Bond Counsel is obtained that such remedial action cures any failure to meet the requirements of section 141 of the Code.

(k) Continuing Obligation. Notwithstanding any other provision of this Ordinance, the City's obligations under the covenants and provisions of this Section 10.08 will survive the defeasance and discharge of the Bonds for as long as such matters are relevant to the exclusion from gross income of interest on the Bonds for federal income tax purposes.

ARTICLE XI

Section 11.01. Remedies in Event of Default. (a) In addition to all the rights and remedies provided by the laws of the State of Texas, the City covenants and agrees particularly that in the event the City (i) defaults in payments to be made to the Bond Fund and Reserve Fund as required by this Ordinance or (ii) defaults in the observance or performance of any other of the covenants, conditions or obligations set forth in this Ordinance, each an "Event of Default," the Owner of any Bond shall be entitled to a writ of mandamus issued by a court of proper jurisdiction compelling and requiring the City Council and other officers of the City to observe and perform any covenant, condition or obligation prescribed in this Ordinance.

(b) No delay or omission to exercise any right or power accruing upon any default shall impair any such right or power, or shall be construed to be a waiver of any such default or

acquiescence therein, and every such right and power may be exercised from time to time and as often as may be deemed expedient. The specific remedies herein provided shall be cumulative of all other existing remedies and the specification of such remedies shall not be deemed to be exclusive. Notwithstanding any other provision of this Ordinance, the right to accelerate the debt evidenced by the Bonds shall not be available as a remedy under this Ordinance.

ARTICLE XII

DISCHARGE

Section 12.01. Discharge. The Bonds may be refunded, defeased or discharged in any manner permitted by applicable law.

ARTICLE XIII
