**Have you attended one or more meetings of the Boards/Commission/Committee for which you have applied?**  
No

**Please write a brief narrative outlining your interests and qualifications for seeking appointment:** i have studied urban design and sociology in my spare time for 4 years via edx.org. i have studied animal behavior in cats which can help them be adopted faster.

**What do you hope to accomplish by serving on a Board or Commission?** i plan on providing nuanced views on how to make community building not only more fair but designed in a way the promotes the local economy. I would like to provide design ideas based on the latest scientific research for urban planning as well as the other social, economic and environmental impacts.

**What else would you like to tell us about yourself?** i have a strong characteristic of mercy and empathy towards others and animals. i hope to run for state senate one day and use the experience here to enlighten the state to allow for more local control as well as development rather than state political policies conflicting with the needs of municipalities.
