Receipt of the Recommended FY 2019-2020  
City Social Service Agency Fund Budget of  
\$170,000 from the CDBG Advisory  
Committee**

**(Agenda Item C-1)**

An Annual Action Plan must be submitted to the U.S. Department of Housing and Urban Development (HUD) by August 15th as a requirement to receive Community Development Block Grant (CDBG) funds of \$725,927 in FY 2019-2020. The CDBG Advisory Committee reviewed applications submitted by non-profit agencies for projects that address HUD national objectives and 2017 Consolidated Plan priorities. At a meeting on July 16, 2019, the Committee voted 4-0 to recommend a final social services budget and recommended approval of the Annual Action Plan by a vote of 4-0. The Plan was made available for a 30-day Public Comment period from July 5, through August 5, 2019.

**Public Hearing: Consideration of Resolution No. 0132-19-RES Authorizing the Adoption of the Community Development Block Grant 2019 Annual Action Plan; Authorization for the City Manager to Submit the Plan to the U.S. Department of Housing and Urban Development; and Acknowledgement of Receipt of the Recommended FY 2019-2020 City Social Service Agency Fund Budget of \$170,000 from the CDBG Advisory Committee (cont'd)**

---

(Agenda Item C-1)

The City staff's recommendation was that the City Council approve the resolution adopting the 2019 Annual Action Plan; authorize the City Manager to submit the plan to the U.S. Department of Housing and Urban Development; and acknowledge receipt of the recommended FY 2019-2020 City Social Service Agency Fund Budget as set forth in the caption above.

Mayor Durham opened the public hearing.

**MOTION:** Upon a motion made by Deputy Mayor Pro Tem Ferguson and seconded by Councilmember Jones, the Council voted five (5) "ayes" and no (0) "nays" to close the public hearing. The motion carried.

**MOTION:** Upon a motion made by Deputy Mayor Pro Tem Ferguson and seconded by Councilmember Jones, the Council voted five (5) "ayes" and no (0) "nays" to approve and adopt **Resolution No. 0132-19-RES**, a Resolution of the City Council of the City of Lewisville, Texas, Providing for the Adoption of The 2019 Annual Action Plan as Required by The U.S. Department of Housing and Urban Development. The motion carried.

**Public Hearing: Consideration of Ordinance  
No. 0133-19-SUP Granting a Special Use  
Permit for a Contractors Yard; on  
Approximately 2.4718 Acres, Legally  
Described as Lot 1, Block C, Riverview  
Industrial Addition, Located at 1620  
Riverview Drive, Zoned Heavy Industrial  
District (HI); as Requested by Luis Pedraza,  
of Luis Construction Service Inc. and  
Newstar Drilling Inc., the Property Owner.  
(Case No. SUP-2019-07-04)**

---

**(Agenda Item C-2)**

Newstar Drilling is a foundation pier drilling company currently located in Lewisville's Old Town district, at 545 East Church Street. On March 19, 2018, a Special Use Permit (Ordinance Number 0018-18-SUP) was approved to allow Newstar Drilling to construct a new facility at 1620 Riverview Drive. The applicant is requesting to make modifications to the previously approved development plan, which includes expanding the size of the building, increasing the outside storage, and rearranging the parking lot configuration. The special use permit (SUP) regulations adopted in 2013 require an SUP for all contractor's yards. The proposed SUP will replace the existing SUP. The Planning and Zoning Commission recommended unanimous (6-0) approval on July 16, 2019.

The City staff's recommendation was that the City Council approve the ordinance as set forth in the caption above.

Richard E. Luedke, Planning Director was available to address any questions posed by the City Council.

Mayor Durham opened the public hearing.

**MOTION:** Upon a motion made by Mayor Pro Tem Troyer and seconded by Councilmember Gilmore, the Council voted five (5) "ayes" and no (0) "nays" to close the public hearing. The motion carried.

City Attorney Lizbeth Plaster read the ordinance caption into the record as follows:

"An Ordinance of the Lewisville City Council, Amending the Zoning Ordinance by Granting a Special Use Permit for a Contractor's Yard, on Approximately 2.4718 Acres, Legally Described as Lot 1, Block C, Riverview Industrial Addition, Located at 1620 Riverview Drive and Zoned Heavy Industrial District (HI); Providing for a Repealer, Severability, Penalty, and an Effective Date; and Declaring an Emergency."

**Public Hearing: Consideration of Ordinance No. 0133-19-SUP Granting a Special Use Permit for a Contractors Yard; on Approximately 2.4718 Acres, Legally Described as Lot 1, Block C, Riverview Industrial Addition, Located at 1620 Riverview Drive, Zoned Heavy Industrial District (HI); as Requested by Luis Pedraza, of Luis Construction Service Inc. and Newstar Drilling Inc., the Property Owner. (Case No. SUP-2019-07-04) (cont'd)**

**(Agenda Item C-2)**

**MOTION:** Upon a motion made by Mayor Pro Tem Troyer and seconded by Councilmember Gilmore, the Council voted five (5) “ayes” and no (0) “nays” to approve and adopt **Ordinance No. 0133-19-SUP**, as previously captioned. The motion carried.

**Public Hearing: Consideration of an Ordinance Granting a Special Use Permit for an Auto Repair Shop; on Approximately 0.434Acres, Legally Described as Lot 1, Block A, J.A. Salguero Addition, Located at 545 East Main Street, Zoned Light Industrial District (LI), as Requested by Erick Cortez, Global Master Planning, on Behalf of Jose A. Salguero, the Property Owner**

**(Agenda Item C-3)**

Alex Paint and Body is seeking a Special Use Permit (SUP) to expand its vehicle repair business at the northwest corner of Railroad Street and Main Street, in Old Town Lewisville. Alex Paint and Body was originally developed in 2013 before the SUP regulations were adopted in 2013. With SUP regulations now in place, this expansion requires approval of an SUP. The use does not comply with the Old Town Master Plan or Transit Oriented Development Plans. The Planning and Zoning Commission recommended denial of this request by a vote of 5-1 on July 2, 2019. A supermajority vote of City Council is required to approve this request.

The City staff’s recommendation was that the City Council deny the special use permit request.

Mayor Durham opened the public hearing.

Richard E. Luedke, Planning Director gave the attached PowerPoint Presentation related to this item reviewing the back history on this location for City Council consideration

**Public Hearing: Consideration of an Ordinance Granting a Special Use Permit for an Auto Repair Shop; on Approximately 0.434 Acres, Legally Described as Lot 1, Block A, J.A. Salguero Addition, Located at 545 East Main Street, Zoned Light Industrial District (LI), as Requested by Erick Cortez, Global Master Planning, on Behalf of Jose A. Salguero, the Property Owner (cont'd)**

**(Agenda Item C-3)**

Jose A. Salguero, 545 East Main Street, Lewisville, Texas gave the attached PowerPoint Presentation in favor of this request.

Ray Bowens, 3501 Pecan Park Drive, Flower Mound, Texas, spoke before the City Council in support of this item. Mr. Bowens acknowledged Mr. Salguero's support of the Lewisville Area Chamber of Commerce and the Cross Timbers YMCA. Mr. Bowens also advised that he owned a business in Lewisville. Mr. Bowens reiterated a portion of Mr. Salguero's presentation regarding the restaurants closing in this area. He stated that Mr. Salguero has been consistent in his business and he has been faithful in keeping his place clean and was an important part of the community. He requested that the City Council reconsider approving the request.

Glenn Kimball, 1608 Colony Drive, Flower Mound, Texas, spoke before the City Council in support of this item. He stated he has been an active member of the business community in Lewisville and the Chamber of Commerce for over 10 years. He stated that he wanted to support Mr. Salguero's business and his family as a vibrant member of the community in Lewisville. He indicated his feelings that Mr. Salguero had built a beautiful facility, not your average body shop, and has complied with the look and guidelines. He stated his concern that an ordinance, while he understood the reasoning behind it, does not take into the account the success of a business if that whole plan is going to come into play. He further indicated by denying a request for something that is being attempted to be built and grow would be determinantal and not help Lewisville. He requested that a good look be taken at why the decision was made by the Planning and Zoning Commission.

Al MacDonald, 3813 Simmons Creek Lane, Flower Mound, Texas, spoke before the City Council in support of this item. Mr. MacDonald stated that he wanted to support Mr. Salguero and his wife. He indicated the quality of work and the low cost (expense/charges) of this body shop. He stated that when referring people to this body shop, people know the building and think it's neat. He stated that when dropping off vehicles people are eating at the restaurants in this area. He encouraged the City Council to approve this request as it would add to the attractiveness of the facility.

City Secretary Julie Worster advised the following individuals had filled out cards in opposition to this item:

**Public Hearing: Consideration of an Ordinance Granting a Special Use Permit for an Auto Repair Shop; on Approximately 0.434 Acres, Legally Described as Lot 1, Block A, J.A. Salguero Addition, Located at 545 East Main Street, Zoned Light Industrial District (LI), as Requested by Erick Cortez, Global Master Planning, on Behalf of Jose A. Salguero, the Property Owner (cont'd)**

**(Agenda Item C-3)**

Judy Kay Ferguson, 336 West College, Lewisville, Texas  
Heather Cicirano, 152 West Main, Lewisville, Texas.

**MOTION:** Upon a motion made by Councilmember Jones and seconded by Mayor Pro Tem Troyer, the Council voted five (5) “ayes” and no (0) “nays” to close the public hearing. The motion carried.

Councilmember Gilmore stated that he was in the City Council chair to best represent the interests of the community. He referenced working hard to find a middle ground when this item originally came before City Council to keep this business in business when it first came in 2016. He stated that no one was putting this business out of business. He advised additional parking was approved with the understanding additional buildings would be placed on the property. He questioned why that had not been done – either it was made up to confuse the City Council or had been decided that was no longer the case and the buildings were no longer wanted in 2018. In closing, he advised he looked at this through the eyes of the Rotary, is it fair to all concerned, it's not. He stated this process has been in place since 2010 and how Old Town would be developed has been talked about since 2010 – this was not news. And lastly, does it build good will and better friendships, and it does not because we've had to continually go back and forth on this. That is why I am denying this process. It's either been a sham since 2016 and you are not willing to work with the community or you just don't care.

Councilmember Green stated that she had been wrestling with the fair thing to do. She advised that this actually started back in 2003 when the Old Town Master Plan was adopted, which means it was being worked on two or three years before that. In 2010 the Old Town TOD Plan and the Mill Street Corridor Plan – all long-range plans in an effort to organize the City had been developed. She indicated that the community is behind the plan as well as the local business community as the plan was something stable that they could count on. She stated she did not feel it was fair 16 years down the road to change the plan after a whole strip of business owners have put their hard-earned money into these businesses because they support the plan as it was. She stated it was not fair to a whole lot of people.

**Public Hearing: Consideration of an Ordinance Granting a Special Use Permit for an Auto Repair Shop; on Approximately 0.434 Acres, Legally Described as Lot 1, Block A, J.A. Salguero Addition, Located at 545 East Main Street, Zoned Light Industrial District (LI), as Requested by Erick Cortez, Global Master Planning, on Behalf of Jose A. Salguero, the Property Owner (cont'd)**

**(Agenda Item C-3)**

Councilmember Jones stated that this was the second time of Alex Paint and Body had come before the City Council. He advised that he was on the Planning & Zoning Commission at the time when the parking was first denied, and then was allowed with the understanding there would be buildings there that never came. He indicated that City Council has struggled with this because it is an Old Town Mix Use and they wanted to help the business owner, however the buildings have not been seen only the parking.

**MOTION:** Upon a motion made by Councilmember Gilmore and seconded by Councilmember Jones, the Council voted five (5) “ayes” and no (0) “nays” to deny an Ordinance granting a Special Use Permit for an Auto Repair Shop; on approximately 0.434 acres, legally described as Lot 1, Block A, J.A. Salguero Addition, located at 545 East Main Street, zoned Light Industrial District (LI), as requested by Erick Cortez, Global Master Planning, on behalf of Jose A. Salguero, the property owner. The motion carried.

**Visitors/Citizens Forum**

**(Agenda Item D)**

Greg Tierney, 477 Richland, Lewisville, Texas spoke before the City Council regarding Northwest Old Town Neighborhood Paving Drainage and Utility Improvements. He acknowledged the well conducted meeting held last week by City staff. Mr. Tierney stated that he had recently moved into this neighborhood and he wanted to show his appreciation for the City Council’s continued dedication of the Old Town development, both residential and business community. Mr. Tierney indicated he wanted the City Council to be aware of the perception residents have in this area that these improvements that were voted on in 2003 not yet being completed. Mr. Tierney acknowledged that there were cost over runs and other items that came up that were more important than this projects’ completion. He indicated that at the meeting the neighborhood had been advised that the City Council had elected to go with asphalt (mill and overlay- instead of concrete (curb and gutters) and that was creating the perception that this neighborhood was getting kicked to the curb. Mr. Tierney advised that the problem in this area was drainage issues that could be solved by curb and gutter; however, he was aware that all those in the neighborhood were not interested in the requirements of doing curb and gutter. He respectfully requested that if the City was going to do the asphalt instead of concrete that it be maintained in ten years when it started to fall apart and that a drainage solution for this area was figured out.

**Visitors/Citizens Forum (cont'd)**

**(Agenda Item D)**

Amanda and Alonzo Cabrar, 478 Richland Street, Lewisville, Texas, spoke before the City Council regarding their concerns of standing water in this area and subsequent mosquitoes. Ms. Cabrar requested that something be done in this area regarding the drainage problem to help mitigate the mosquitoes. Mr. Cabrar expressed his concern regarding the mosquitoes in this area preventing residents from going outside and enjoying their property. He referenced the pipe coming from the empty lot that created this drainage issue and the importance of the drainage being looked at. Mr. Cabrar advised they were not concerned about sidewalks, but they did want something done about the drainage.

No one else appeared to speak at this time.

**CONSENT AGENDA**

**(Agenda Item E)**

**MOTION:** Upon a motion made by Mayor Pro Tem Troyer and seconded by Councilmember Green, the Council voted five (5) “ayes” and no (0) “nays” to approve and adopt all items on the Consent Agenda, as recommended and as follows:

The motion carried.

**END OF CONSENT AGENDA**

**Consideration of Three Variances to the Lewisville City Code Section 6-103 (c)(2) Access Spacing, Section 6-130 Table 4 Control of Access for Commercial Driveways, and Section 6-123 (b) Multi-Family and Non-Residential Landscaping Requirements, Located at 2301 South State Highway 121 Business; Legally Described as Lot 1, Block B, Timber Village; as Requested by Clay Cristy of Clay Moore Engineering, on Behalf of McDonald's Real Estate Company, the Owner**

---

**(Agenda Item F-11)**

McDonald's submitted plans to demolish their existing restaurant, located on the southwest corner of Valley View Drive and State Highway 121 Business, and build a new restaurant in its location. Three variances are proposed with this redevelopment; a) to reduce the required driveway spacing of 230-feet along SH 121 Business, b) to reduce the control of access of 250-feet along SH 121 Business and, c) to allow a variable width landscape buffer along Valley View Drive.

The City staff's recommendation was that the City Council approve the three variances as set forth in the caption above.

**(Agenda Item F-12)**

The subject site is a 0.400-acre lot zoned Light Industrial (LI) within the CB Exteriors Addition. The property owner is proposing to renovate the existing building and make significant site improvements. Staff has reviewed and approved the Old Town Development Plan subject to the City Council approval of two variances: a) to reduce the required driveway spacing of 50 feet along South Kealy Avenue; b) to reduce the required driveway spacing of 50 feet along East Purnell Street.

The City staff's recommendation was that the City Council approve the variances as set forth in the caption above.

**Consideration of Two Variances to the  
Lewisville City Code Section 9.5-92 (Paving)  
Regarding Driveways Related to CB Exteriors  
Addition, 537 South Kealy Avenue as  
Requested by Connor Murrell, McAdams, on  
Behalf of the Owner (cont'd)**

---

**(Agenda Item F-12)**

David Salmon P.E., City Engineer, was available to address any questions posed by the City Council.

**MOTION:** Upon a motion made by Deputy Mayor Pro Tem Ferguson and seconded by Councilmember Gilmore, the Council voted five (5) “ayes” and no (0) “nays” to approve the following two variances to the Lewisville City Code Section 9.5-92 (Paving) Regarding Driveways Related to CB Exteriors Addition, 537 South Kealy Avenue: a) to reduce the required driveway spacing of 50 feet along South Kealy Avenue; b) to reduce the required driveway spacing of 50 feet along East Purnell Street, as requested by Connor Murrell, McAdams, on behalf of the owner. The motion carried.

**Consideration of Ordinance No. 0135-19-  
ORD Amending Chapter 15, Section 15-62 of  
the Lewisville City Code to Prohibit  
Pedestrian Crossings on Valley Parkway  
from 50 Feet South of Main Street to 50 Feet  
North of Kathy Lane Except at the  
Designated Pedestrian Crosswalk**

---

**(Agenda Item F-13)**

Lewisville High School student pedestrians cross Valley Parkway, a major 4-lane arterial street, at various mid-block locations along the school frontage during the school arrival and dismissal times putting their safety at risk. Existing signalized intersections on Valley Parkway at Main Street and at Fox Avenue are located too far away to reasonably expect a student pedestrian to walk over to and cross the street safely at those locations. Texas Transportation Code considers pedestrian crossings on a roadway illegal only when the crossing pedestrian inhibits the vehicular movement or when adjacent intersections at each end of a block are controlled by traffic signals. An amendment to the city ordinance is required to prohibit the unsafe pedestrian crossings across Valley Parkway near the School. The Transportation Board considered this item at the June 18, 2019 meeting and voted unanimously (5-0) to approve the recommendation to the City Council.

The City staff's recommendation was that the City Council approve the ordinance as set forth in the caption above.

David Salmon, PE, City Engineer, was available to address any questions posed by the City Council.

**Consideration of Ordinance No. 0135-19-ORD Amending Chapter 15, Section 15-62 of the Lewisville City Code to Prohibit Pedestrian Crossings on Valley Parkway from 50 Feet South of Main Street to 50 Feet North of Kathy Lane Except at the Designated Pedestrian Crosswalk (cont'd)**

(Agenda Item F-13)

City Attorney Lizbeth Plaster read the ordinance caption into the record as follows:

“An Ordinance of the Lewisville City Council Amending the Lewisville City Code, Chapter 15, Section 15-62, Pedestrian Crossing Restricted, by Adding a Prohibition for Pedestrian Crossing on Valley Parkway From 50 Feet South of Main Street to 50 Feet North of Kathy Lane Except at the Designated Pedestrian Crosswalk; Providing a Penalty, Repealer and an Effective Date; and Declaring an Emergency.”

**MOTION:** Upon a motion made by Councilmember Green and seconded by Mayor Pro Tem Troyer, the Council voted five (5) “ayes” and no (0) “nays” to approve and adopt **Ordinance No. 0135-19-ORD**, as captioned previously. The motion carried.

**Consideration of Ordinance No. 0136-19-ORD Amending Chapter 15, Section 15-87 (c) of the Lewisville City Code to Prohibit U-Turns on Westbound State Highway 121 Business at the First Median Opening East of Valley Ridge Boulevard**

(Agenda Item F-14)

A driveway for L&L Autolink, a commercial used car dealership under construction is located on the south side of SH 121 Business east of the Valley Ridge Boulevard intersection and the proposed driveway is offset from the existing median opening in front of the property. A left turn deceleration lane at the median opening was not required by TxDOT on westbound SH 121 Business. Westbound U-turns need to be restricted when the business is open to the public as there is no exclusive left turn storage bay. The Transportation Board considered this item at the June 18, 2019 meeting and voted unanimously (5-0) to approve the recommendation to the City Council.

The City staff’s recommendation was that the City Council approve the ordinance as set forth in the caption above.

David Salmon, PE, City Engineer, was available to address any questions posed by the City Council.

**Consideration of Ordinance No. 0136-19-  
ORD Amending Chapter 15, Section 15-87  
(c) of the Lewisville City Code to Prohibit  
U-Turns on Westbound State Highway 121  
Business at the First Median Opening East of  
Valley Ridge Boulevard (cont'd)**

**(Agenda Item F-14)**

City Attorney Lizbeth Plaster read the ordinance caption into the record as follows:

“An Ordinance of the Lewisville City Council Amending the Lewisville City Code Chapter 15, Section 15-87(c) by Prohibiting U-Turns on State Highway 121 Business at the First Median Opening East of Valley Ridge Boulevard; Providing for a Repealer, Severability, Penalty, and an Effective Date; and Declaring an Emergency.”

**MOTION:** Upon a motion made by Councilmember Green and seconded by Councilmember Jones, the Council voted five (5) “ayes” and no (0) “nays” to approve and adopt **Ordinance No. 0136-19-ORD**, as captioned previously. The motion carried.

**Consideration of Ordinance No. 0137-19-  
ORD Amending Chapter 6, Land  
Development Regulations, of the Lewisville  
City Code, by Amending Section 6-123,  
Multi-Family and Non-Residential  
Landscaping Requirements, to Increase the  
Required Landscape Strip and Allow for  
Reductions of the Strip in Certain  
Circumstances; Providing for a Repealer,  
Severability, a Penalty, and an Effective  
Date; and Declaring an Emergency**

**(Agenda Item F-15)**

These amendments are proposed to increase the landscaping requirements, furthering the Big Move Number 2: Extending the Green, Big Move Number 4: Thriving Neighborhoods, and Big Move Number 9: Sustainability of the Lewisville 2025 Plan. The provisions also permit a reduction in the landscape buffer to its existing standard provided other community character standards are met. This provision will reduce complications associated with redevelopment but also apply to new developments.

The City staff’s recommendation was that the City Council approve the ordinance as set forth in the caption above.

Richard E. Luedke, Planning Director, was available to address any questions posed by the City Council.

**Consideration of Ordinance No. 0137-19-ORD Amending Chapter 6, Land Development Regulations, of the Lewisville City Code, by Amending Section 6-123, Multi-Family and Non-Residential Landscaping Requirements, to Increase the Required Landscape Strip and Allow for Reductions of the Strip in Certain Circumstances; Providing for a Repealer, Severability, a Penalty, and an Effective Date; and Declaring an Emergency (cont'd)**

(Agenda Item F-15)

City Attorney Lizbeth Plaster read the ordinance caption into the record as follows:

“An Ordinance of the Lewisville City Council Amending Chapter 6, Land Development Regulations, of the Lewisville City Code, by Amending Section 6-123, Multi-Family and Non-Residential Landscaping Requirements, to Increase the Required Landscape Strip and Allow for Reductions of the Strip in Certain Circumstances; Providing for a Repealer, Severability, a Penalty, and an Effective Date; and Declaring an Emergency.”

**MOTION:** Upon a motion made by Deputy Mayor Pro Tem Ferguson and seconded by Mayor Pro Tem Troyer, the Council voted five (5) “ayes” and no (0) “nays” to approve and adopt **Ordinance No. 0137-19-ORD**, as captioned previously. The motion carried.

**Consideration of Ordinance No. 0138-19-ORD of the Lewisville City Council Providing for the Abandonment, Vacation and Closure of a Sixty-Six (66) Foot Wide Section of Right-Of-Way, South of East Church Street and North of East Main Street**

(Agenda Item F-16)

The original Kealy Addition contained right-of-way for Railroad Street, which was never constructed and has been fenced and used as private property for parking and storage for decades by the four adjacent properties; however, this section of the right-of-way was never formally abandoned by the City. This ordinance cleans up this situation and provides for clear title for the impacted properties. A similar ordinance was passed in 1995 for the portion of Railroad Street on the South side of Main Street to allow the CCA to have clear title to that land.

The City staff’s recommendation was that the City Council approve the ordinance as set forth in the caption above.

**Consideration of Ordinance No. 0138-19-ORD of the Lewisville City Council Providing for the Abandonment, Vacation and Closure of a Sixty-Six (66) Foot Wide Section of Right-Of-Way, South of East Church Street and North of East Main Street (cont'd)**

---

**(Agenda Item F-16)**

Richard E. Luedke, Planning Director, was available to address any questions posed by the City Council.

City Attorney Lizbeth Plaster read the ordinance caption into the record as follows:

“An Ordinance of the Lewisville City Council Providing for the Abandonment, Vacation and Closure of a Sixty-Six (66) Foot Wide Section of Right-Of-Way, South of East Church Street and North of East Main Street, as Shown in Exhibit “A”; Providing for the Terms and Conditions of the Abandonment, Vacation and Closure; Providing a Repealer, Severability, and an Effective Date; and Declaring an Emergency.”

**MOTION:** Upon a motion made by Councilmember Gilmore and seconded by Deputy Mayor Pro Tem Ferguson, the Council voted five (5) “ayes” and no (0) “nays” to approve and adopt Ordinance No. 0138-19-ORD, as captioned previously. The motion carried.

**Reports**

**(Agenda Item G)**

- Second Quarter 2019 Boards/Commissions/Committees Attendance Reports
- Assistant Police Chief Jay Powell advised the Lewisville Police Department was celebrating 75 years of dedicated service to the community. He encouraged everyone to attend the Open House on Saturday, August 9, 2014 from 11:30 a.m. to 1:30 p.m. at the Lewisville Police Department where hot dogs, chips and drinks will be provided. The plan right now is to have it in the south parking lot off of Main Street.

There were no additional reports at this time.

**Return to Workshop Session if Necessary**

**(Agenda Item H)**

City Council returned to the City Council Conference Room to complete Workshop Agenda Item B – Discussion of City Owned Property. Deputy City Manager Eric Ferris and Director of Strategic Development Gina Thompson concluded their attached PowerPoint Presentation for City Council consideration.

# I-35 Public Property Plan

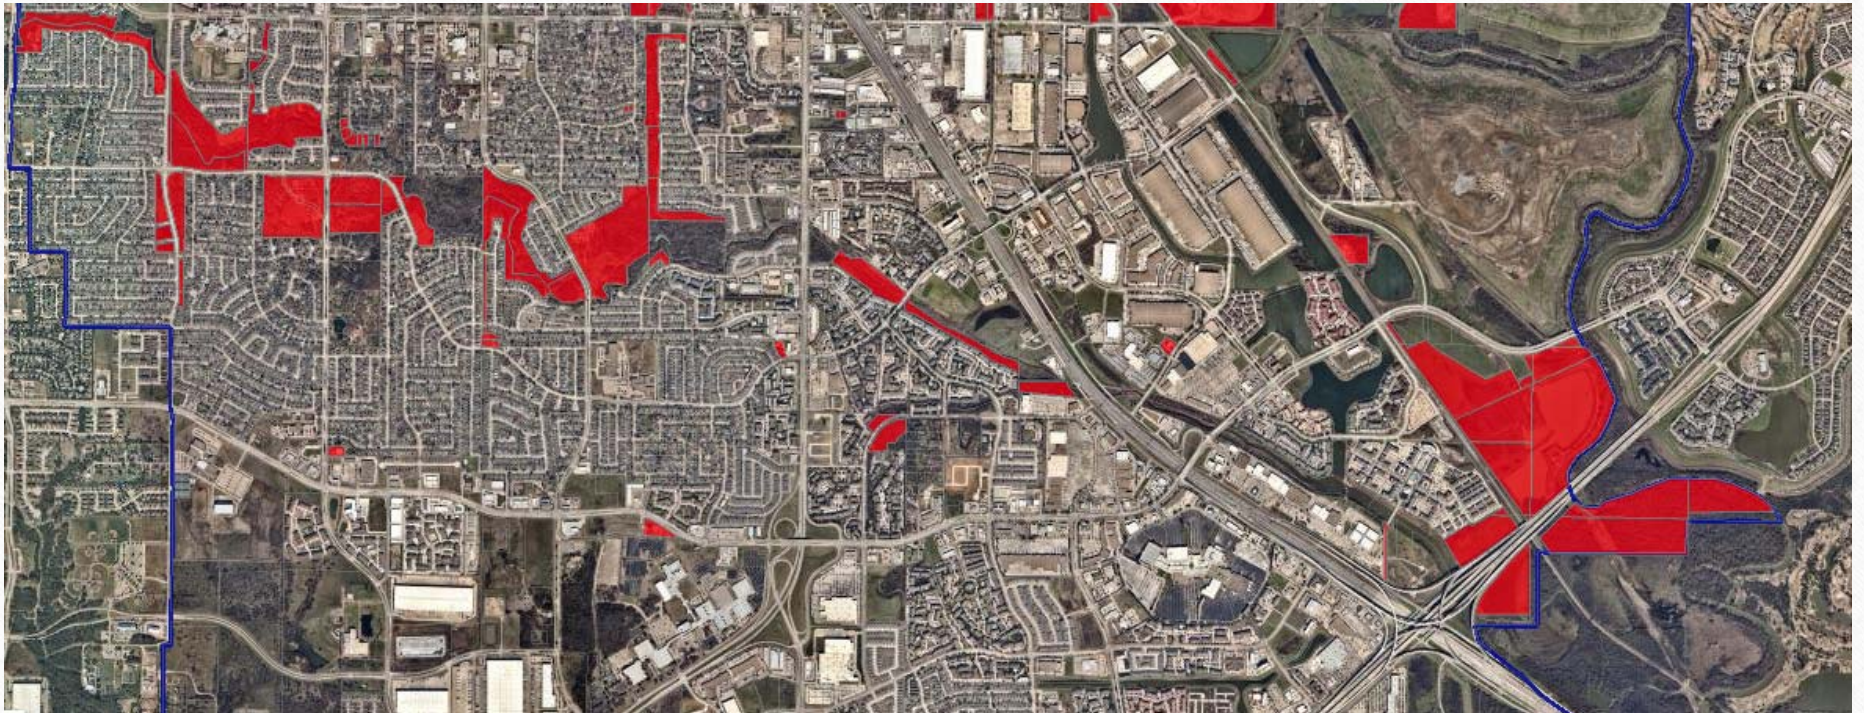

- In proposed base budget, existing fund balance would be used to hire consultant to develop a plan for city-owned property along the I-35 corridor.
- Consultant will study existing city and TxDOT plans as they relate to parcels currently owned by City along I-35 (i.e. I-35 Plan, TxDOT construction/design plans, ULI Triangle Study, 10 minute walk to park maps, Water and Wastewater Plans, Northern Gateway and Southern Gateway plan, Parks Master Plan, and Thoroughfare plans).
- Consultant will propose best uses for properties (development, acquisition, and opportunities).
- This will provide the city with a unified strategy for public property along the corridor. It can also help the city better position itself with TxDOT and property owners being affected by the next phases of I-35 expansion.

# ALEX PAINT AND BODY SUP REQUEST

August 5, 2019

# BACKGROUND:

- Prior to 2013, Alex Paint and Body was located on 1.5 acre site at 729 South Mill Street
- Late 2012, applicant began development process to relocate to 0.434-acre site at 545 East Main
- March 2013, applicant purchased property to the west zoned OTMU2, which does not allow automotive uses
- April 1, 2013, City Council adopted SUP process for all automotive uses
- June –July 2013, multiple submittals to OTDRC for design approval

AERIAL PHOTO  
545 E. MAIN ST.

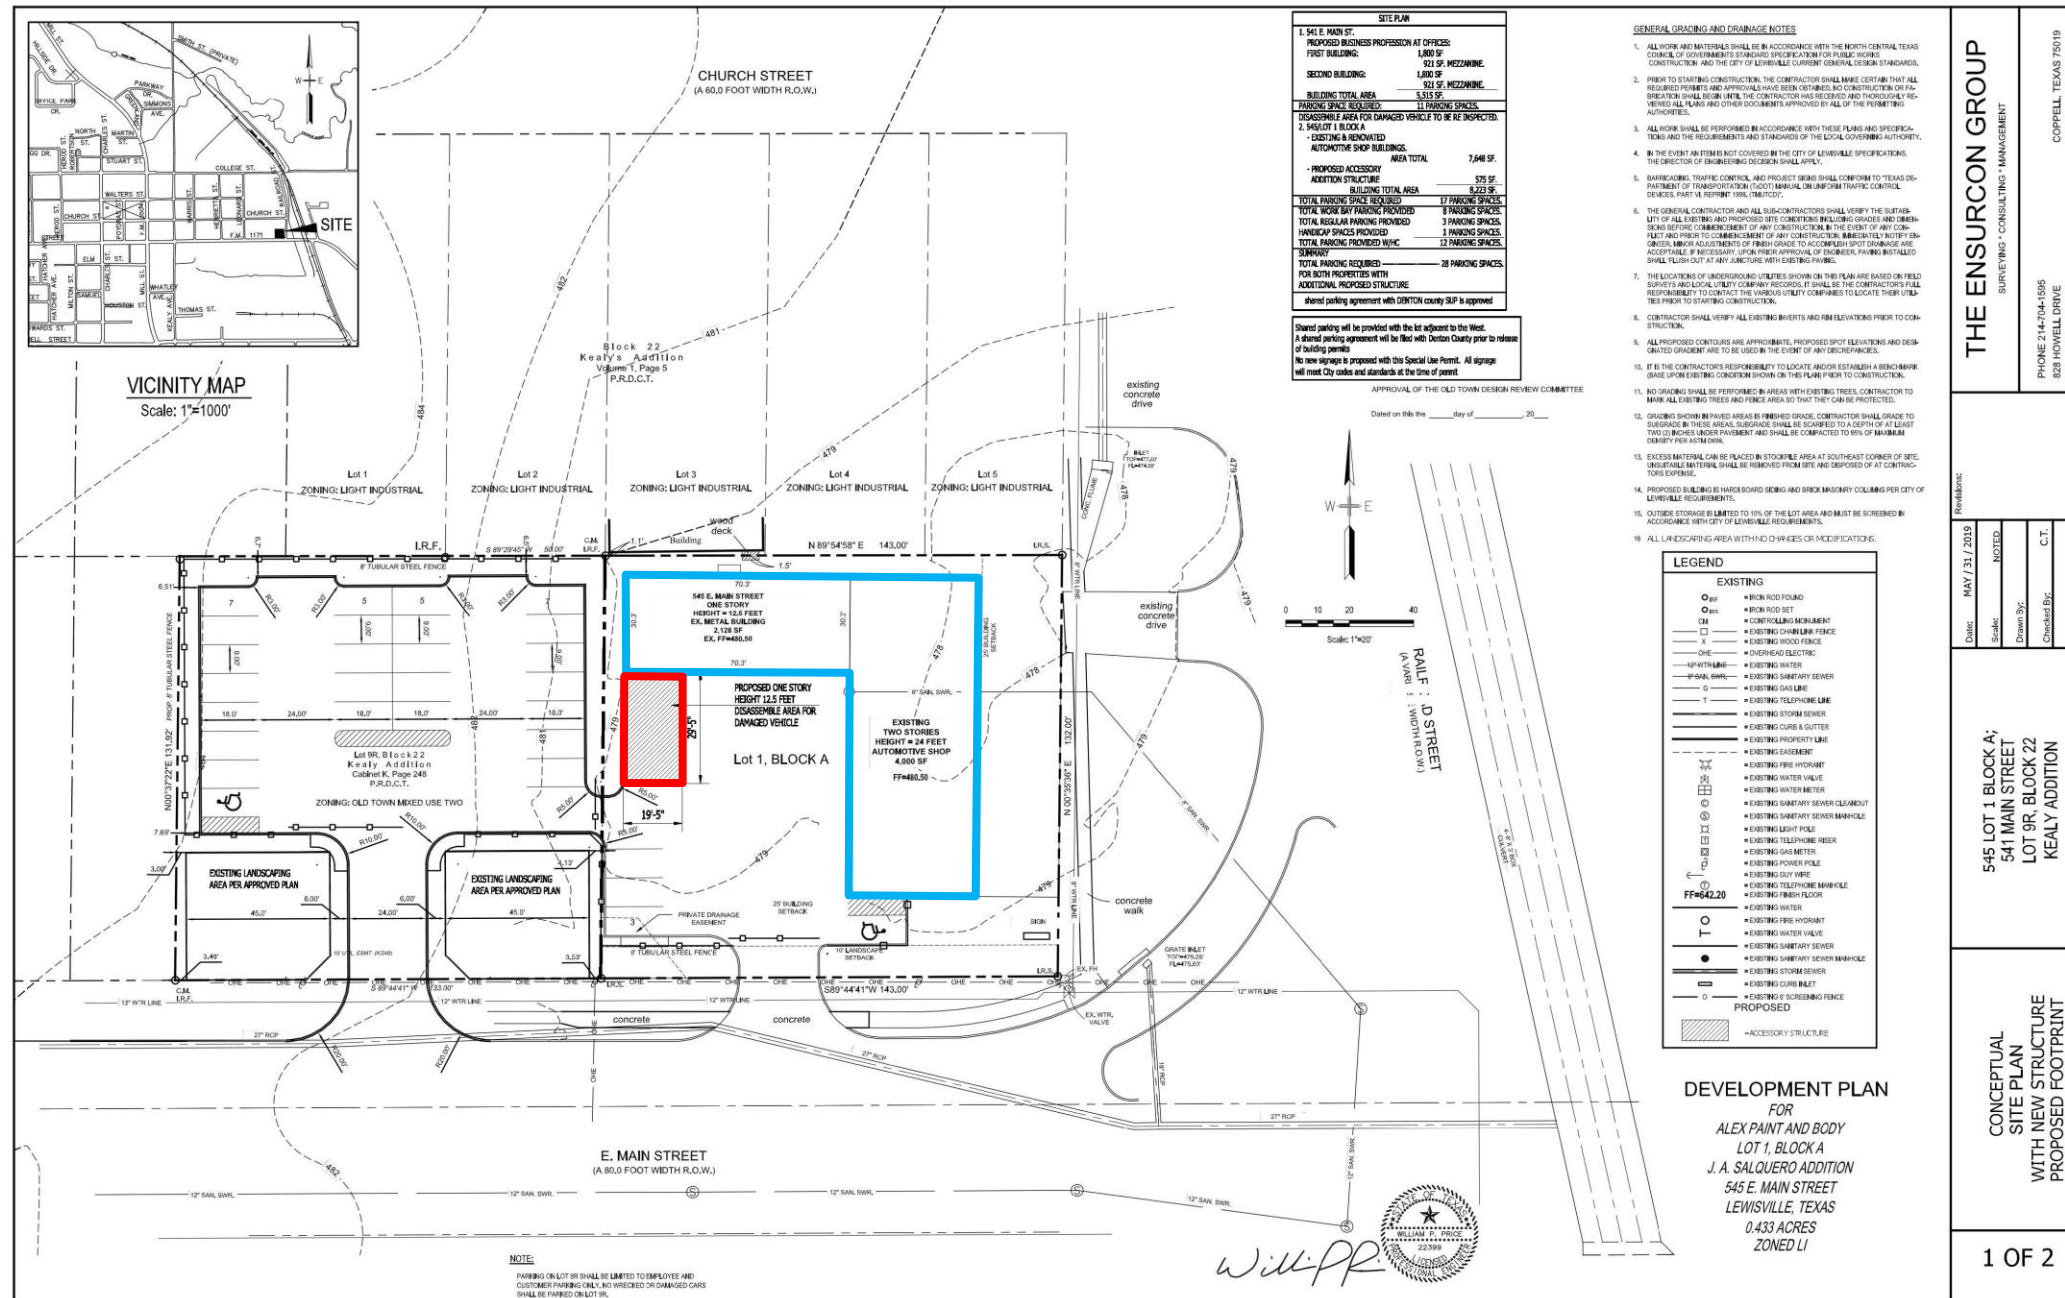

## ORIGINAL SITE CONCERNS:

- Limited amount of parking on a very small site
- Use contrary to vision of 2003 Old Town Master Plan and 2010 Transit Oriented Development (TOD) Plan

# PARKING DISTRICT BACKGROUND:

- Applicant had primary concern of parking for customers and employees
- Parking District zoning allowed construction of parking lot for surrounding businesses without primary use on site
- Applicant proposed parking at rear of lot in phase one and two commercial buildings in front, in phase two
- City Council approved zone change May 2, 2016

PROPOSED  
SUP FOR  
EXPANSION  
:

## CONCERNS RELATED TO SUP REQUEST FOR EXPANSION:

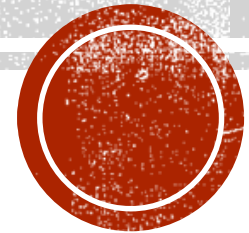

- Does not support adaptive reuse of property
- Eliminates possibility of street fronting commercial buildings on adjacent property
- Is not consistent with other Old Town automotive owners that are taking steps to expand at appropriate locations outside Old Town
- Does not align with vision for Old Town as outlined in Lewisville 2025, Old Town Master Plan and TOD plan

## RECOMMENDATION:

That the City Council deny the SUP request.

# **WHY THE CITY COUNCIL SHOULD APPROVE THIS PERMIT REQUEST:**

**ALEX PAINT & BODY LEWISVILLE TX**

# LEGITIME LOCATION PERMIT

- The current permit submitted for the expanding area is not greater than 9 % of the existing construction area, which is a brand-new building approved by the City no more than 5 years ago which is located in a legitimate **Light Industrial** zone.

# AP&B IS THE PEOPLE OF LEWISVILLE

- According to Plan 2025 for Lewisville, and its vision on communicating City values, AP&B is a tangible expression of Lewisville economic vitality and sustainability values. We are active members of the Lewisville Chamber of Commerce for the last ten years and our tax dollars I have contributed to your salaries and those of other staff members. Having already been approved and established in the community, we do not feel it is right to put us out of business. We want to remain a part of the community, and have with the approval of this permit, we can remain so.

# OLD TOWN REVITALIZATION PUSH BY THE CITY OF LEWISVILLE

- Previous experiences in Europe and other States of American Union have consistently proved, the importance of **proper transition frame time** to succeed with the revitalization plan. Beautiful urbanistic renderings and exhibits that are used to inspire the community as they are able to visualize the planned long-term future, HAVE TO BE IMPLEMENTED with **realistic and sound economic approaches** that understand and respect the **investment cycles of the neighbors like AB&S**. Otherwise, these staff advisors are pushing themselves and the Board of the City closer to the **edge of failure**.

# RESTAURANT CLOSURES, URBAN PLANNING AND DUE TIME:

- Community Impact newspaper quoted causes of recent restaurant closures like Cavallies Neapolitan Pizza, Tin Man Diner, Elke's Beer Haus and Fratelli Italian Eatery. The causes analysis included, not having enough foot traffic to sustain the restaurants in addition to drive in consumers, as one of the most impactful factors. Yes, we know that residential projects are on their way and we know Old Town is still somewhat of a developing area, so based on this predicament, **time has proved to be the essence** for this urban development phase.

# WE ARE A CAPITALIST SOCIETY SEEKING THE GREATER GOOD WITHOUT COERCIVE ACTIONS.

- If the honorable Board of the City continues ignoring our **fundamental civil rights** as a member of a capitalist society that has helped the City thrive, then we are watching the merging of a **socialistic abusive governing system**. Urban planning tactics in our blessed nation must honor private property as a fundamental piece of our capitalist existence and should never use **coercive measures** like blocking a small expansion permit request to achieve the Old Town planed outcome.

# AP&B IS DIFFERENT FROM OTHERS IN A GOOD WAY

- Please, please make a fair differentiation among quality of existing business like mine. The old dirty and abandoned light industrial underdevelopment business with no loans or significant financial obligations will be erased easily in your Zoning Use plan, **but not me**. Please be aware of my financial projections and achieved stability after years of hard work. I deserve a different approach and that is why I am here to let my voice be heard. **I am a worthy entrepreneur and I am living the American dream.** The scholars are advising you what they have learned out of their books, but I am coming to you to speak based on my own sacrifices, sweat and faith in God and in the values system our founder fathers established. Being said that, Honorable Board, **let me remind you that you are in that chair to represent my best interest too**, as our lovely Old Town engages with an ethical, realistic and human development plan, which I will support whole heartily.
