Approval of Lighting Agreements Among the City of Lewisville, Main & Mill Business Association, and Property Owners to Allow the City to Install and Maintain LED Lights on Buildings Facing Main Street Between Charles and Mill Street; and Authorization for the City Manager to Execute the Agreements.

ADMINISTRATIVE COMMENTS:

The City of Lewisville and Main & Mill Business Association are partnering to replace the existing decorative string lights installed on certain buildings in Old Town with programmable LED lights. These lights will match the lights currently installed on the roofline of City Hall and the MCL Grand. The City has received lighting agreements and Easements from the property owners of 179, 177, 165, 170, 162, 160, 159, 156, 143, 139, 135, 131, 127, 123, 119, 115, 109, 105, 136, 132, 128, 120-122, and 116 Main Street. After City Council approves these agreements, staff will move forward with hiring a contractor to install the lights on these buildings.

RECOMMENDATION:

That the City Council approve the lighting agreements as set forth in the caption above; and authorize the City Manager to execute such agreements.
