**Appointment of Two Members of the City Council and Two Members of the Lewisville 2025 Advisory Board to the Parks & Recreation Financial Management and Cost Recovery Model Sub-Committee.**

### **ADMINISTRATIVE COMMENTS:**

In order to create a fiscal management philosophy and establish a cost recovery model for all parks and recreation programs and services, the City has retained 110% Inc. to lead discussions and analysis with staff, elected officials and stakeholders. The project team, consultant and a sub-committee of elected and appointed officials will draft a set of guiding principles for establishing fees and charges, development and acquisitions policies/procedures, asset prioritization and social equity policies to be presented to City Council for review and approval throughout the process. The sub-committee will consist of two City Council members, two Lewisville 2025 Advisory Board members and three Parks & Recreation Advisory Board members. The PARB will appoint their representatives to the sub-committee at its regular meeting on September 12.

### **RECOMMENDATION:**

That the City Council appoint two members of City Council and two members of Lewisville 2025 Advisory Board as set forth in the caption above.
