Approval of a Professional Services Agreement with ML Clark Consulting, LLC, in the Amount of \$89,000 for Design Services Related to the Leonard Street Reconstruction Project and Authorization for the City Manager to Execute the Agreement.

ADMINISTRATIVE COMMENTS:

The project consists of replacing the existing asphalt roadway with a two-lane concrete roadway section, parallel parking, storm sewer improvements, water and sewer line replacements and installing sidewalks, street lights and street trees on both sides of the street. Staff has negotiated a professional services agreement with ML Clark Consulting, LLC in the amount of \$89,000 to include survey, design, and construction services. The improvements will be made along the section of Leonard Street between College Street and Walters Street including the Walters Street intersection. The timing of this project coincides with the multifamily development on the east side of Leonard, south of College Street, as ML Clark Consulting is also the civil engineer on that development. Funding is available in the Leonard Street Capital Project.

RECOMMENDATION:

That the City Council approve the agreement as set forth in the caption above and authorize the City Manager to execute the agreement.
