Approval of Lighting Agreements by and Between the City of Lewisville, Main & Mill Business Association, and Certain Owners to Allow the City to Install and Maintain LED Lights on 102, 112, and 150 W. Main Street; and Authorization for the City Manager to Execute the Agreements.

ADMINISTRATIVE COMMENTS:

The City of Lewisville and the Main & Mill Business Association are partnering to replace the existing decorative string lights installed on certain buildings in Old Town with programmable LED lights. These lights will match the lights currently installed on the roofline of City Hall and the MCL Grand Theater. The City has received the necessary Lighting Agreements and Easements from the property owners of 102, 112, and 150 W. Main Street. Those agreements are presented here for Council's approval.

RECOMMENDATION:

That the City Council approve the agreements as set forth in the caption above; and authorize the City Manager to execute the agreements.
